PATENT

ASSIGNMENT OF INVENTION AND COPYRIGHT

A & A Ref: P53611ZA00

WHEREAS I

Hermanus Albertus PERCIVAL

hereinafter referred to as the ASSIGNOR

of

1 Pirow Street, 0045, Pierre van Ryneveld, Gauteng Province, South Africa

am the inventor of an invention entitled:

STABILISATION OF FIREARMS

hereinafter referred to as 'the invention', and of certain literary and artistic works relating to the invention and including any notes, memoranda, reports, sketches, drawings, plans, photographs and all associated illustrations and handwritten, typewritten and printed matter, of whatever description, regarding the invention, hereinafter collectively referred to as 'the work';

AND WHEREAS

Daniel Eastes EASTES

hereinafter referred to as the ASSIGNEE

of

27 Augusta Street, Nelspruit, 1201, South Africa

has for good and sufficient consideration agreed to acquire 50% of my right, title and interest in and the invention, and the copyright in the work from me in respect of all countries in the world.

NOW THEREFORE, for one US \$ or other good and valuable consideration,

I hereby assign to the ASSIGNEE

for all countries in the world 50% of my right, title and interest in and to the invention and in and to the copyright in the work, including any further developments and improvements in respect thereof, for all countries in the world with the right to apply jointly with me for a patent or one or more copyright registrations in our names jointly; and

I hereby undertake at any time when called upon by the assignee, his successors or assigns to render every assistance and to execute promptly all papers, forms or documents required to secure the filing of patent and/or copyright applications in other countries jointly in my name and the name of the assignee, his successors or assigns, or, in countries where such applications can only be filed by inventors, to do so in my own name and then to secure the formal registration of such assignments there in accordance with the laws of the countries concerned as are needed to transfer 50% of the rights embodied by such applications or any patents granted thereon, to the ASSIGNEE; and

PATENT

REEL: 031251 FRAME: 0670

generally I undertake, without requiring any further consideration, to render every assistance which may be needed to ensure that patent and/or copyright registrations are granted jointly in favour of myself and the assignee, his successors or assigns, on all patent and/or copyright applications filed for the work and for any further developments and improvements in respect thereof; and

in order to give effect to the terms and conditions embodied herein, I hereby irrevocably grant unto the assignee, his successors or assigns, my Power of Attorney with power of substitution and revocation to act on my behalf, as if personally acting in the execution of such papers, forms or documents envisaged above, such Power of Attorney incorporated in this agreement being dated as of the date set out hereunder above my signatures;

and I agree that the law governing the agreement and Power of Attorney incorporated therein, shall be the law of the Republic of South Africa;

and

the Assignee, hereby accept the above undertakings and assignment as set out above.

The assignment above is made effective from the date of execution, or the date of filing of the application for the invention in the Republic of South Africa, or the date of execution of the Form P3 for the invention, whichever date is earliest.
