THIS DEED made effective on the day set out in Schedule One

BETWEEN the parties identified in Schedule Two (the "Assignors") of the First Part

AND the party identified in Schedule Three (the "Assignee") of the Second Part

WHEREAS:

- A. The Assignors have made one or more inventions in relation to an Improved Assembly System (the "Invention/s")
- B. The Assignors have agreed to assign to the Assignee, and the Assignee desires to take an assignment of, all the right, title and interest of the Assignors in and to the Invention/s.

NOW THIS DEED WITNESSETH that in consideration of the premises the Assignors do hereby assign to the Assignee all right, title and interest in and to the Invention/s, including:

- (1) all right, entitlement and power to make any application for Letters Patent, Design Patent, Registered Design, Utility Model or any other form of protection in respect of all or any of the Invention/s to the benefit of the Assignee, in any country;
- (2) all right, title and interest in and to any Letters Patent or any other form of protection granted as a result of any application referred to in (1) above;
- (3) all right, title and interest in and to any copyright owned by the Assignors or either of them in any literary work or artistic work relating to the Invention/s, together with the right, entitlement and power to apply for registration of Copyright, Design, Design Patent or like protection, to the benefit of the Assignee in any country;
- (4) all right, title and interest in and to any registration of Copyright, Design, Design Patent or like protection granted as a result of any application referred to in (3) above; and

(5) the right to sue in respect of any infringement of such Copyright which may have occurred before the date of this Deed.

AND the Assignors agree to sign, execute and deliver all documents, forms and papers reasonably required to be produced or obtained by the Assignee in connection with any of the matters referred to in (1) to (5) above.
