ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, I, **Hashem Zare-Hoseini, a citizen of Iran residing at Cambridge, United Kingdom**, hereinafter referred to as Assignor, hereby sell, assign and transfer to **Cambridge Silicon Radio Limited**, a Corporation organized and existing under the laws of the United Kingdom, having its principal place of business at **Churchill House, Cambridge Business Park, Cowley Road, Cambridge, United Kingdom CB4 0WZ**, hereinafter referred to as Assignee, its successors, assigns and legal representatives in interest, the entire right, title and interest, in and for the United States of America, in and to any and all inventions which are disclosed in the application for United States Letters Patent, which has been executed by the undersigned on even date herewith and is entitled:

Multi-level Quantizers and Analogue-to-Digital Converter

in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions; and in and to all original and reissued patents which have been or shall be granted in the United States on said inventions;

Assignor agrees that Assignee may apply for and receive Letters Patent for said inventions in its own name;

Assignor agrees that, at the request of the Assignee and, without charge to but at the expense of said Assignee, Assignor will carry out in good faith the intent and purpose of this Assignment; execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to Assignee, all facts known to the undersigned relating to said inventions and the history thereof; and generally do everything possible which Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions in Assignee, and all

applications for patents and all patents on inventions in said Assignee;

Covenants with Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
