ASSIGNMENT BY OWNER AND INVENTOR

THIS ASSIGNMENT, made this 27th day of June, 2013, by Sage Connex LLC (hereinafter, SAGE), a Georgia limited liability company with an address at 3551 S. Monaco Parkway, PMB 312, Denver, CO 80237 and a mailing address at % Joseph H. Hodges, Esq. 1820 The Exchange, Suite 150 Atlanta, Georgia 30339-2096; and Donald T. Hughston residing at 27 Frognal, London, United Kingdom NW3 6AR (hereinafter referred to as Assignors);

WHEREAS, Assignors are the owner and inventor, of certain intellectual property (hereinafter referred to as "the IP), described on Exhibit A attached hereto; and

WHEREAS, William P. Barnes (hereafter, "BARNES"), a resident of Georgia with an address at 4046 Wetherburn Way, Suite 4, Norcross, Georgia 30092; and Patton Boggs LLP (hereafter, "PATTON"), a limited liability partnership organized and existing under the laws of the District of Columbia and authorized to conduct business in the State of Colorado with an address at 1801 California Street Suite 4900, Denver, CO, 80202 (hereinafter BARNES and PATTON referred to jointly as Assignees), are desirous of acquiring the entire right, title and interest in and to said IP and to any Letters Patent obtained therefore and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignees jointly, their successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned IP, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said applications, and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignees, for their own use and benefit and the use and benefit of their successors, legal representatives and

assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, their successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said IP above-mentioned, and that the same is unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignees, their successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said IP, without charge to Assignees, their successors, legal representatives and assigns, whenever counsel of Assignees, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said IP, or any proceeding in connection with any Letters Patent or applications for Letters Patent in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignors hereby request the Commissioner of Patent and Trademarks and the Patent Offices of any country to issue said Letters Patent of the United States and any foreign country jointly to Assignees, as Assignees of said IP and any inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignees, their successors, legal representatives and assigns.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office or any foreign country for recordation of this document:
