Alexandria, Virginia 22313-1450.

DECLARATION

Sir:

I, Gregory Murgia, declare and state that:

I am Senior Director, Americas Patent Creation & Senior IP Corporate
Counsel for Alcatel Lucent.

I am authorized to make this declaration on behalf of Alcatel Lucent.

Alcatel Lucent is the correct owner of U.S. Patent No. 6,754,235
(hereinafter "the '235 Patent"), issued on June 22, 2004.

A summary of the true chain of title for the '235 Patent to the best of my
knowledge is as follows:

True Chain of Title¹

Conveyance	Assignor(s)	Assignee	Reel/Frame	Recorded
1. Assignment of Assignors Interest	Frank Octaaf Van Der Putten; Paul Marie Pierre Spruyt	Alcatel Alsthom Compagnie Generale D'electricite	031049/0026	08/21/2013
2. Change Of Name	Alcatel Alsthom Compagnie Generale D'electricite	Alcatel	031049/0061	08/21/2013
3. Change of Name	Alcatel	Alcatel Lucent	031163/0389	09/05/2013
4. Change of Name (duplicate recordation)	Alcatel	Alcatel Lucent	031189/0527	09/09/2013

A previous assignment was recorded having assignors listed as "Celine Adessi; Eric Kawashima; Pascal Mayer; Jean-Jacques Mermod; Gerardo Turcatti" and an Assignee listed as "Applied Research Systems ARS Holding N.V." on October 23, 2001. The previous assignment was recorded against the '235 Patent under reel and frame number 012277/0903. The previously recorded assignment document was submitted with erroneous information. None of "Celine Adessi; Eric Kawashima; Pascal Mayer; Jean-Jacques Mermod; Gerardo Turcatti" or "Research Systems ARS Holding N.V." hold any right or interest in the '235 Patent.

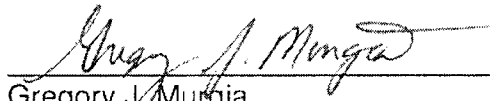

The last correct Assignee, Alcatel Lucent, has been, and continues to be, the owner of the '235 Patent.

¹ A security agreement that does not affect the chain of title was recorded at reel/frame number 029821/0001 on January 30, 2013.

Therefore, the chain of title should not be considered altered by the incorrect assignment recordation at reel and frame number 012277/0903.

This declaration is being submitted in accordance with MPEP §323.01(c) in order to correct the error made in the previously recorded document that erroneously affects the above identified patent. In accordance with MPEP §323.01(c), a corrected recordation form cover sheet, as well as the fee required by 37 CFR 3.41, are also submitted herewith.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application of any patent issuing thereon.

Gregory J. Murgia
Senior Director, Americas Patent
Creation & Senior IP Corporate Counsel
Alcatel Lucent

Date: September 13, 2013
