GENERAL PATENT ASSIGNMENT

WHEREAS, **FTSI, LLC**, (hereinafter "Assignor"), a Nevada corporation, having its principal place of business at 6955 Speedway Blvd., Suite T101, Las Vegas, Nevada, 89115, United States of America, has established certain rights and is the record owner of various patent applications, associated with the Assignor's business, as set forth in Schedule B attached hereto and any patent or patent application not explicitly listed in Schedule B but is based on or is claiming priority to a patent or patent application listed therein (hereinafter "Patents"); and

WHEREAS, **TAIT TOWERS MANUFACTURING, LLC**, a Pennsylvania corporation, having its principal place of business at 9 Wynfield Drive, Lititz, Pennsylvania, 17543, United States of America (hereinafter "Assignee"), desires to acquire all of the Assignor's right, title, and interest in and to the Patents.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor does hereby assign and transfer unto Assignee, and Assignee does hereby accept all of Assignor's rights, title, and interest to the Patents and any priority rights relating thereto and in and to any continuations, continuations in part, divisions, reissues, reexaminations and extensions thereof anywhere in the world, along with any and all rights of enforcement with respect thereto, including all rights to bring suit or recover for the infringement thereof, and any and all causes of action related thereto;

The Assignor hereby agrees and acknowledges that it is the intent and effect of this General Patent Assignment that all of the Patents are transferred to Assignee, including, but not limited to the right to file and prosecute in its own name, wherever so permitted by law, patent applications, including corresponding applications, and to claim priority of patent applications, including corresponding applications, and to claim priority of patent applications pursuant to the Paris Convention or other such Treaties, and that Assignor shall, when requested by the Assignee, execute all rightful oaths, assignments, and powers of attorney, to the Assignee and to agents and legal representatives of the Assignee and all other papers necessary and proper to carry out the intent and purpose of this General Patent Assignment;

Assignor further authorizes any official of any country whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to record all patents transferred hereunder and title thereto, as the property of Assignee, its successors, legal representatives and assigns in accordance with the terms of this General Patent Assignment, and to

issue the same to Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

IN WITNESS WHEREOF AND INTENDING TO BE LEGALLY BOUND, the Assignor and the Assignee have each caused this General Patent Assignment to be signed by its duly authorized officer on this 20th day of March, 2013.
