PATENT

PATENT ASSIGNMENT

Assignor, Gary Peterson of Chicago, IL, is the owner of U.S. Non-Provisional Patent Application No. 13/807,006, U.S. Provisional Patent Application No. 61/439,817, International Patent Application No. PCT/US12/23892, and Canadian Patent Application No. 2,826,024, collectively referred to herein as "the Patents."

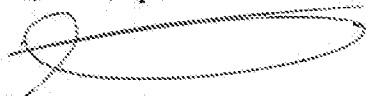

Assignee, **Requisite Solutions Incorporated** of Chicago, IL, desires to acquire the entire right, title and interest in the Patents.

In consideration of the sum of one dollar, the receipt of which is hereby acknowledged, and for other good and valuable consideration, Assignor sells, assigns and transfers unto Assignee the full and exclusive right to the Patents in the United States and the entire right, title and interest in and to any and all patents which may be granted therefore in the United States and all rights and privileges under the patent that may be granted therefor, including the right to claim the benefit of an earlier filing date for the same invention in a foreign country. Assignor hereby authorizes and requests the Director of the U.S. Patent and Trademark Office to issue said United States patent(s) to Assignee fully and entirely and authorizes and requests the directors of foreign patent offices to issue said foreign patent(s) fully and entirely in their respective countries.

For the same consideration, Assignor hereby agrees to promptly communicate to the Assignee, or its assigns, full and complete information concerning the Patents and agrees to cooperate at any time upon request of said Assignee, or its assigns, at Assignor's expense, in the procurement of patent protection to cover the Patents, including the execution of new, divisional, continuing, reexamination and reissue applications. Assignor will make all rightful oaths, will testify in any proceedings in the United States Patent Office or in the courts, and generally will do everything lawfully possible to aid Assignee, its successors, assigns and nominees to obtain, enjoy and enforce their patent rights.
