## A S S I G N M E N T

Pursuant to our obligation to SCHOTT Corporation (hereinafter referred to as "Assignee"), a Maryland Corporation having its principal place of business at:

555 Taxter Road  
Elmsford, NY 10523

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged,  
we:

Kevin Francis Tabor  
5 West Hollow Lane  
Webster, MA 01570

David Filkins  
16 Otis Street  
Warren, MA 01083

confirm the obligation that each of us has to and hereby sell, assign, and convey unto Assignee, its successors and assigns, the entire right, title, and interest that each of us possesses -

(1) in and to inventions described in a patent application titled "CHANNELIZED PLATE" for which United States Patent Application No. 12/192,285, (hereinafter the "U.S. Utility Patent application") was filed;

(2) in and to the U.S. Utility Patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon (or in the wake of any reexamination, *inter partes* review, or post-grant review), to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

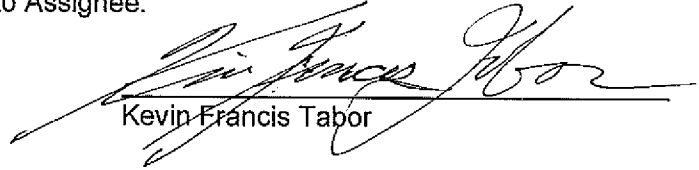

(4) under the International Convention in respect to the U.S. Utility Patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of our Assignee with a claim to priority based on the U.S. Utility Patent application.

We hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the

intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

And the Commissioner of Patents of the United States is hereby authorized and requested to issue said patent or patents to Assignee.
