ASSIGNMENT

WHEREAS, LAWRENCE B. BRODEY, a citizen of the United States, residing at 647 Inwood Lane, South Orange, New Jersey 07079; and CHRISTOPHER PIKE, a citizen of the United States, residing at 47 Maple Street, Princeton, New Jersey 08542 (hereinafter "Assignors"), have invented a new and original ornamental design for a GRATE FOR A CHANNEL DRAIN, for which an application for United States Letters Patent was filed on August 14, 2012, as Application No. 29/429,612 and

WHEREAS, DURST CORPORATION, INC., a corporation organized and existing under the laws of the State of New Jersey and having a place of business at 129 Dermody Street, Cranford, New Jersey 07016 (hereinafter "Assignee"), is desirous of acquiring all right, title and interest in and to said invention, said patent application, and any Letters Patent that may be granted thereon or therefrom; and

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign and set over to Assignee the entire right, title and interest in and for the United States of America and all other countries in and to said invention and the aforesaid patent application, all original, divisional, continuation, continuation-in-part, substitute or reissue design and/or utility applications and patents applied for or granted therefor in the United States of America and all other countries, and the Commissioner of Patents is hereby authorized and requested to issue all patents on said applications and/or applications resulting therefrom to DURST CORPORATION, INC., as assignee of the entire interest therein; and the undersigned for them and their legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all divisional, continuation, continuation-in-part, reissue and other applications for patent on said invention and all assignments and powers of attorney thereof to Assignee or its assigns, to communicate to Assignee or its legal representatives all facts known to the undersigned respecting said invention, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid Assignee, its successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by Assignee.
