WORLDWIDE PATENT ASSIGNMENT

WHEREAS, **SECUREKEY TECHNOLOGIES, INC.**, whose full post office address is **36 York Mills Road, Suite 500, Toronto, Ontario, Canada, M2P 2E9** (hereinafter "SecureKey") is the owner of the pending patent applications and issued patents identified in Schedule A appended hereto (the "Assigned Patents and Applications") and the inventions described in Schedule B appended hereto (the "Assigned Inventions") (the Assigned Patents and Applications and the Assigned Inventions are collectively referred to as "the Subject Patent Rights");

WHEREAS, **KILI TECHNOLOGY CORPORATION**, whose full post office address is 199 Bay Street, Suite 2900, PO Box 366, Toronto, Ontario M5l 1G2 (hereinafter "Kili") has acquired the Subject Patent Rights pursuant to an Asset Purchase Agreement entered into by SecureKey and Kili;

NOW THEREFORE, in consideration of the obligations set out in the Asset Purchase Agreement and the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of all of which is hereby acknowledged, SecureKey hereby confirms that SecureKey has assigned, and does hereby sell and assign, transfer and set over to Kili, all of SecureKey's right, title and interest for Canada, the United States of America, its territories, dependencies and possessions, and for all other countries in the world, in and to the Subject Patent Rights, and all continuation, continuation-in-part, divisional and reissue applications from the Assigned Patents and Applications, as well as applications properly claiming Convention priority from the Assigned Patents and Applications, and all patents granted therefrom.

SecureKey authorizes and empowers Kili, its successors, assigns and legal representatives or nominees, to invoke and claim for any of the Subject Patent Rights, and all related applications and patents thereon, filed by SecureKey or Kili, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from SecureKey.

The Parties authorize and empowers Bereskin & Parr LLP/S.E.N.C.R.L., s.r.l., whose complete address is Suite 4000, Scotia Plaza, Box 401, 40 King Street West, Toronto, Ontario M5H 3Y2, to insert on this Assignment any further identification, to prepare any translation which may be necessary or desirable in

order to comply with the rules for recordation of this document in any country and to correct any clerical error in this assignment.

The Commissioner of Patents & Trademarks is hereby authorized and requested to issue any Letters Patent for the Subject Patent Rights, and all related applications to Kili.

If a provision of this Assignment is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect the validity or enforceability in that jurisdiction of any other provision of this Assignment, or the validity or enforceability in other jurisdictions of that or any other provision of this Assignment.

The Parties confirm their express wish that this Assignment be drawn up in the English language.
Les parties confirment leur volonté expresse que cette cession soit rédigée en langue anglaise.
