INTELLECTUAL PROPERTY ASSIGNMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT (this “Assignment”) is executed and delivered effective as of this 25th day of September, 2013 (“Effective Date”) by GANNETT SATELLITE INFORMATION NETWORK, INC., a Delaware corporation (“Assignor”), to and in favor of CAPTIVATE, LLC, a Delaware limited liability company (“Assignee”).

RECITALS

WHEREAS, Assignor has previously engaged in, and Assignee is succeeding Assignor in engaging in the business of distributing news, entertainment, financial information, weather, sports and customer advertising to a network of viewing screens located in passenger elevator cabs and lobbies of high-rise office buildings and hotels in the United States and Canada (the “Business”); and

WHEREAS, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all of Assignor’s right, title and interest in and to (i) (A) all intellectual property, industrial property, and proprietary rights of every kind and nature in any jurisdiction throughout the world, including all rights and interests pertaining to or deriving from: inventions, ideas, methods, patents, patent applications, trademarks (whether registered or unregistered), trademark applications, trade names, logos, fictitious business names, Internet domain names, social media or online user account names or identifiers (including for Facebook, Twitter, YouTube, and Pinterest accounts), service marks (whether registered or unregistered), service mark applications, copyrights or rights of copyright (whether registered or unregistered), copyright applications, Trade Secrets know-how, methods of operation, customer lists and customer data, systems, Software, (including source code and object code), blueprints, engineering drawings, proprietary products, technologies, proprietary rights or other intellectual property rights or intangible assets, confidential information, ideas and all other intellectual property or proprietary rights of any kind, including writings of any kind, printed or graphic matter (including all preparatory materials such as sketches, drafts, outtakes, outlines and drawings), and any video footage or other audiovisual works, images, artwork, designs, photographs, films, slides, recordings, music and mechanicals, processes and techniques, data, specifications, supplier lists, pricing and cost information, business and marketing plans and proposals, documentation and manuals, electronic, electrical and mechanical equipment and all other forms of technology, including improvements, modifications, works in process, derivatives or changes and rights of privacy and publicity, moral rights and proprietary rights of any kind or nature, all of the foregoing however denominated, throughout the world in all media now known or hereafter created, in each case, used or held for use by Assignor for the conduct of the Business; (B) any and all contractual rights and obligations relating to any of the foregoing; and (C) all claims, actions, causes of action or suits (whether in contract, tort or otherwise), litigations (whether at law or in equity, whether civil or criminal), controversies, assessments, arbitrations, investigations, hearings, charges, complaints, demands, notices or proceedings to, from, by or before any governmental authority and rights to sue at law or in equity for any past, present or future infringement or other impairment of any of the foregoing, including the right to receive all proceeds and damages therefrom, and all rights to obtain renewals, continuations, divisions or other extensions of legal protections pertaining thereto and (ii) the registered and unregistered

items of Intellectual Property identified in Schedule B attached hereto (collectively, the “Intellectual Property”).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee its entire right, title, and interest in and to the Intellectual Property, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

Assignor agrees to take all further reasonable actions, and provide to Assignee, Assignee's successors, assigns or other legal representatives, all such reasonable cooperation and assistance (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, use specimens, assignments, powers of attorney or other documentation), requested by Assignee to more fully effectuate the purposes of this Assignment, including, without limitations, with respect to the following: (1) the preparation and prosecution of any application for registration, or any application for renewal of a registration, relating to any of the rights assigned herein; (2) the prosecution or defense of any interference, opposition, infringement or other proceedings that may arise in connection with any of the rights assigned herein, including, without limitation, testifying as to any facts relating to the Intellectual Property and this Assignment; (3) obtaining by Assignee any additional protection relating to rights assigned herein that Assignee reasonably may deem appropriate that may be secured under the laws now or hereafter in effect in the United States or any foreign country; and (4) in the implementation or perfection of this Assignment in all applicable jurisdictions throughout the world, including without limitation via separate assignments of the Intellectual Property, in whole or in part, and such other documents as may be requested by Assignee or its legal representatives or designees.

This Assignment shall be governed by and construed in accordance with the domestic laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any other jurisdiction.

IN WITNESS WHEREOF, Assignor and Assignee have each caused this Assignment to be executed by their respective duly authorized representatives as of the Effective Date.

ASSIGNOR:

GANNETT SATELLITE INFORMATION
NETWORK, INC., a Delaware corporation

By: [Signature]

Name: Tom Cox

Its: Vice President

ASSIGNEE:

CAPTIVATE, LLC a Delaware limited liability
company

By: [Signature]
