ASSIGNMENT

Whereas SensoMotoric Instruments Gesellschaft für innovative Sensorik mbH, a German limited liability company with its principal place of business at Warthestraße 21, 14513 Teltow/Berlin, registered with the commercial register Potsdam under HR B 22447 (hereinafter "Assignor"), is the sole and exclusive owner of the entire right, title, and interest in and to the patents and patent applications listed on the attached Schedule of Patents and the inventions disclosed therein;

Whereas Alcon Pharmaceuticals Ltd., a Swiss corporation with its principal place of business at Route des Arsenaux 41, 1701 Fribourg (hereinafter "Assignee"), is desirous of acquiring the entire right, title, and interest in said patents and the inventions disclosed therein pursuant to the Asset Sale and Purchase Agreement between Assignor and Assignee effective November 8, 2012;

Now, therefore, in consideration of the sum of one dollar (\$1.00), and other good and valuable consideration, receipt of which is hereby acknowledged, Assignor hereby agrees as follows:

1. Assignor sells, assigns, and transfers unto Assignee, its successors and assigns, the entire right, title, and interest in and to the patents and patent applications listed on the attached Schedule of Patents and the inventions disclosed therein and any and all substitutions, reissues, reexaminations, renewals, divisions, continuations, continuations-in-part, and extensions of any of the foregoing, including, without limitation, any and all causes of action and other rights assertable under said patents and patent applications; the right to sue and recover damages for past or future infringement of said patents and patent applications; and the right to sue and recover damages for past or future unpaid royalties with respect to the use of any rights represented by said patents and patent applications; the same to be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as the same would have been held by Assignor had this Assignment not been made.
2. Assignor agrees to execute, upon the request of and without further consideration from Assignee, its successors or assigns, any and all documents that may be necessary or desirable to perfect Assignee's title to and ownership of the inventions, patents, and patent applications described in paragraph 1.
3. Assignor agrees that this Assignment shall be effective as of November 8, 2012.
4. Assignor represents and warrants that it has full power to enter into this Assignment and has full power to make the sales, assignments, transfers, and agreements herein contained.
