For valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Leverage, Inc., a Delaware corporation, having a principal place of business at 2544 Canyon Drive, Los Angeles, California, 90068, assigns to Dave's Design, with a principal place of business at 4756 Beechwood Ave., Fremont, CA 94536, its legal representatives, successors and assigns, all right, title, and interest, in the United States and throughout the world, in and to International Patent Application No. PCT/US2007/016922, US Patent Application No. 12/375,377, and US Provisional Patent Application No. 60/833,555, including without limitation, all provisional applications, divisions, continuations and continuations-in-part thereof, all patents which may be granted thereon, all reissues and extensions thereof, all patents which may be granted for any inventions by states or nations other than the United States, or by other authority, entity, or organization, and all applications therefore (including the right to claim priority of the filing date of the application in the United States and/or under international conventions), as fully and completely as the same would have been held by Leverage, Inc. had this assignment not been made. The entire right, title and interest shall vest in Dave's Design. Leverage, Inc. further agree upon request, without additional compensation, to execute or assent to any and all applications for any such inventions, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to Dave's Design, its legal representatives, successors and assigns, or as Dave's Design may direct.

This ASSIGNMENT is effective as of the date of execution shown below.
