re: Patent #7,246,738: Package Delivery Receptacle

Dear Mr. Hanson,

I am writing to confirm the status of Patent #7,246,738 which we had previously
agreed to transfer to your company. Per the assignment agreement dated Oct. 14,
2010, the full payment of the contract was due no later than Oct. 14, 2011.

As the funds were not received by me within the contract period, the ownership of
the patent has reverted back to me as of the termination date of the assignment
agreement.

I have enclosed a copy of the agreement along with this letter for your records.

Best Regards,

William Jonas
