This ASSIGNMENT is between inventors PAOLO PALUMBO and ANDREW PATEL as Assignors; and F-SECURE CORPORATION, a corporation organized under the laws of Finland, having its principal office in Tammasaarenkatu 7, FIN-00180 Helsinki, Finland, as Assignee.

As the below named inventors, we have invented certain improvements in the patent application for which an application for Letters Patent have been filed as identified above.

We authorize the attorney of record to update this document to include Filing Details as listed above (i.e., filing date, serial number, etc.) to correspond to the Title of the Invention and Docket Number if such Filing Details are not available at the time I/we signed this document;

F-SECURE CORPORATION wishes to acquire the entire right, title and interest in and under the said invention and the said application. This includes any and all Letters Patent granted in all countries where it has been filed, including all rights to claim priority, and to all improvements which are disclosed in the said invention.

We hereby sell, assign, transfer and set over, unto said Assignee, its successors, legal representatives, and assigns, the entire right, title, and interest in, to and under said invention, and said application. This includes all divisional, renewal, substitutional, non-provisional, and continuing applications thereof, and all Letters Patent of all countries which may be granted thereon and all reissues, reexaminations, and extensions thereof, and all applications for Letters Patent which may be filed for said invention in any country, and all extensions, renewals, reexaminations, and reissues thereof. Furthermore, this also includes all prior patents and patent applications from which a filing priority of the above-described patent application may be obtained, including the right to collect past damages. We hereby authorize and request the official of any country, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention to said Assignee, its successors, legal representatives and assigns, in accordance with the terms of this document. We hereby acknowledge that we have received sufficient compensation.

We have the full right to convey the entire interest assigned in this document, and we have not executed, and will not execute, any agreement in conflict with this assignment.

We will do everything possible to aid said Assignee, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention in all countries. This includes communicating
