ASSIGNMENT

WHEREAS, The New Mexico Chili Association Inc., having mailing address P.O. Box 845 Mesilla Park, New Mexico 88047 (hereinafter referred to as "NMCA") being the current assignee of U.S. Utility Patent Application No. 12/931,483 titled GRAVITY WHEEL DE-STEMMER filed 02/02/2011 (hereinafter referred to as the "APPLICATION") and subject to reservation (3) of prior agreement and conveyance between Arrowhead Center Inc., of New Mexico State University and the NMCA; and

WHEREAS, Gene Baca residing at 2001 Fourth Street S.W. Albuquerque, New Mexico 87103 is desirous of acquiring all of NMCA's entire right, title and interest in and to the aforementioned invention, APPLICATION, and in, to and under any and all Letters Patent of the United States and in any and all other countries;

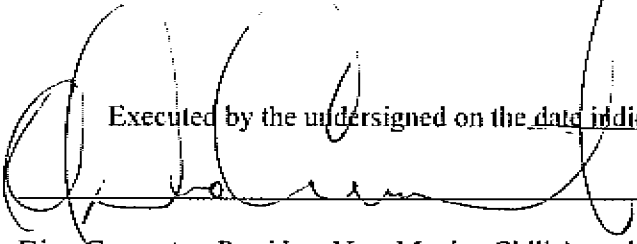

NOW, THEREFORE, this Assignment witnesseth that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, NMCA has assigned, transferred and set over and does hereby assign, transfer and set over to Gene Baca, title, and interest in and to the above-referenced invention, APPLICATION, and in and to any and all Letters Patent of the United States, its territorial possessions, and any and all foreign countries which have been or will be granted therefor, and any and all extensions, reissues or certificates of reexamination of such Letters Patent, including rights of priority and the subject matter of any and all claims which may be obtained in every such patent, the same to be held and enjoyed by Gene Baca for his own use and benefit, and for the use and benefit of his successors, assigns or other legal representatives, to the end of the term or terms for which such Letters Patent are or may be granted, extended, reissued or reexamined as fully and entirely as the same would have been held and enjoyed by NMCA if this

assignment had not been made.

AND, NMCA hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patent of the United States on the inventions, or resulting from an application which claims the benefit of the present APPLICATION and from any and all divisions and continuations, extensions, requests for continued examination, reissues or reexaminations of any such application hereby covenants that NMCA has the full right to convey its entire interest herein assigned, and that NMCA has not executed and will not execute any agreement in conflict herewith.

AND, NMCA further hereby covenants and agrees that NMCA will, at any time, upon request and at the expense of Gene Baca execute and deliver any and all papers that may be necessary or desirable to perfect the title to the invention, APPLICATION, and any Letters Patent as may be granted therefor to Gene Baca, his successors, assigns, or other legal representatives, and that if Gene Baca, his successors, assigns, or other legal representatives shall desire to file any division or continuation application, or to secure an extension, reissue or reexamination of such Letters Patent, or to file a disclaimer relating thereto, will, upon request, sign all papers, make all rightful oaths, and do all requisite act: for the filing of such division, continuing, or reissue application, request for continued examination, request for reexamination or disclaimer.

Executed by the undersigned on the date indicated.
