ASSIGNMENT

WHEREAS, I, Cyril Martin Geraughty, of Glebe, Clondra, County Longford, Ireland (hereinafter "Assignor"), have invented certain new and useful improvements in A SAWHORSE, for which Application was made on or will be made on October 3, 2013, as U.S. Utility Patent Application No. 14/009,639 and Patent Cooperation Treaty Application No. PCT/IE2012/000016, and which claims priority from IE Patent Application S2011/0167 filed on April 6, 2011. (I hereby authorize the attorney recording this assignment to insert the Serial No. and filing date of the application to which this assignment refers to if such information is unavailable as of the execution date of this assignment).

AND, WHEREAS, Glebe Fabrications Limited, an organization having its principal office and place of business at Glebe, Clondra, County Longford, Ireland (hereinafter "Assignee"), is desirous of acquiring an interest therein.

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has assigned and by these presents does hereby sell, assign, transfer, and convey unto the Assignee, its successors and assigns, his entire right, title, and interest in and to the invention and application, including the right to sue for past infringements and any other prior occurring rights, provided any such rights exist, and in and to any and all domestic and foreign patent applications filed on the invention, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America, and all foreign countries or reissues thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, together with his right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made. Assignor further assigns to Assignee the right to claim entitlement and/or priority to any applications that entitlement or priority may be claimed for this or any later filed application. The assignment of the right to claim entitlement and/or priority is executed *nunc pro tunc* and is

considered effective as of the filing date of the earliest application to which priority and/or entitlement is claimed.

Assignor hereby requests that said Letters Patent be issued in accordance with this assignment.

Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, Assignor possesses full title to the invention and application above-mentioned, and that he has the unencumbered right and authority to make this assignment.

Assignor further covenants and agrees, and likewise binds his heirs, legal representatives and assigns, to promptly communicate to said Assignee or its representatives any facts known to him relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors and assigns to secure patent or similar protection for the said invention in all countries and to vest in the Assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said Assignee, its successors, assigns and other legal representatives.

ASSIGNMENT

THIS ASSIGNMENT is made the 4th day of April 2011 between CYRIL MARTIN GERAGHTY of GLEBE, CLONDRA, COUNTY LONGFORD, IRELAND (hereinafter called "the Assignor") of the One Part; and GLEBE FABRICATIONS LIMITED, AN IRISH COMPANY, of GLEBE, CLONDRA, COUNTY LONGFORD, IRELAND (hereinafter called "the Assignee") of the Other Part;

WHEREAS the Assignor is the inventor in respect of an invention entitled A SAWHORSE for which Irish Patent Application No. S2011/0167 was filed on 6th April 2011 (hereinafter referred to as "the invention");

AND WHEREAS the Assignee is desirous of obtaining full and exclusive rights in and to the invention including all patent rights, all design rights (registered and unregistered) and all copyrights.

NOW THEREFORE in consideration of One Euro (€1) the receipt of which is hereby acknowledged I the said Assignor do hereby:

1. Assign to the Assignee the invention, the right, title and interest therein and the right to file Patent Applications for the invention and all the rights, powers, privileges and immunities conferred on the proprietor thereof by the filing of such Patent Applications including all priority rights and the grant of Patents on the Patent Applications, free from all encumbrances and including all design rights (registered and unregistered) and all copyrights.

2. Assign to the Assignee the right to apply on his own behalf for national and regional Patents based on said Patent Applications and for any divisions, continuations-in-part, re-examinations, substitutes or extensions thereof, and/or re-issued patents thereof.
3. Agree to execute and do all such further documents and things as may be necessary or proper for giving effect to the foregoing.
