## **PATENT ASSIGNMENT**

WHEREAS I, Daniel Wacholder, residing at 2471 Laguna Canyon Road, Laguna Beach, California, 92651, have made an invention in:

### **Lighting System for Art Works**

and have filed U.S. Pat. Appl. Ser. No. 13/457,951, on April 27, 2012, and have filed international application on the same invention pursuant to the Patent Cooperation Treaty, Int'l Appl. No. PCT/US13/38143, on April 25, 2013.

WHEREAS, Cerno LLC, a Delaware limited liability company having a principal place of business at 2139 ½ Laguna Canyon Road, Laguna Beach, CA 92651 ("CERNO"), is desirous of acquiring the interest in the invention and these two related patent applications, and any U.S. or foreign patents that may issue;

NOW, THEREFORE, be it known that for an in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

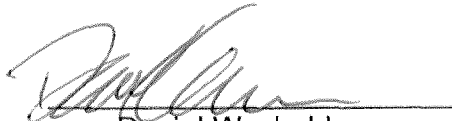

I hereby sell, assign and transfer to CERNO, its successors, assigns and legal representatives, all right, title and interest in and to:

- (a) the invention and any improvements thereon for the United States and all foreign countries;
- (b) any U.S. patent application, including any continuations, continuations-in-part and divisionals, related to the invention and any improvements thereon;
- (c) any U.S. patent that may issue, including any reissues, related to the invention or any improvements thereon;
- (d) any foreign patent application, including any continuations, continuations-in-part, renewals, revivals and divisionals, and the right to claim priority under the International Convention based upon the United States application; and
- (e) any foreign patents that may issue, including any reissues and extensions, related to the invention or any improvements thereon.

I hereby authorize any appropriate authorities to grant and issue any United States or foreign patent in connection with the invention or any improvements to CERNO as the assignee.

I further agree to execute any additional documents necessary and proper to secure patent protection on the invention and any improvements throughout

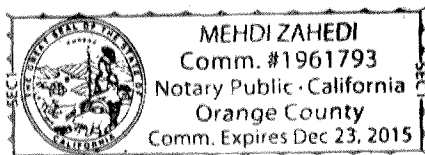

all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Agreement.
