ASSIGNMENT AND AGREEMENT

FOR VALUE RECEIVED, WE, Frank J. DiSanto and Denis A. Krusos hereby sell, assign and transfer to assignee, COPYTELE, INC., a corporation duly organized and existing under the laws of the state of New York and having a principal place of business at 900 Walt Whitman Road, Melville, New York 11746, and their successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to certain inventions relating to PORTABLE TELECOMMUNICATION SECURITY DEVICE described in an application for Letters Patent and executed by me on even date herewith, and all the rights and privileges under any and all Letters Patent that may be granted therefor.

We request that any and all patents for said inventions be issued to said assignees, their successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, we will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignees, their successors, assigns and legal representatives or nominees.

We covenant with said assignees, their successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.
