Assignment to Soft Machines, Inc.

In consideration of good and valuable consideration, receipt of which is hereby acknowledged, I

Hui Zeng

do hereby sell, assign, and transfer unto Soft Machines, Inc. (hereinafter called SMI), a Delaware corporation having its principal place of business at 3211 Scott Boulevard, Suite 202, Santa Clara, California 95054, and its successors and assigns, the entire right, title, and interest for the United States and all foreign countries, in and to any and all improvements, including the right of priority in, to, and under, the application for the United States patent entitled:

METHOD AND APPARATUS FOR PREDICTING FORWARDING OF DATA FROM A STORE TO A LOAD

X filed herewith and the inventions set forth and described therein, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefor; or

Serial No.: _____ filed on _____ and the inventions set forth and described therein, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefor;

And for the above consideration, I agree promptly upon request of SMI, its successors or assigns, to execute and deliver without further compensation any power of attorney, assignment, application, whether original, continuation, divisional or reissue, or other papers which may be necessary or desirable fully to secure to SMI, its successors and assigns, the inventions described in said application and all patent rights therein, in the United States and in any country foreign thereto, and to cooperate and assist in the prosecution of interference proceedings involving said inventions and in the adjudication or reexamination of said Letters Patent provided that the expenses which may be incurred by me in lending such cooperation and assistance are paid by SMI, its successors or assigns.

I further covenant with SMI, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned;

In witness whereof, I hereunto set my hand and seal:

Inventor's Signature: [Signature] Date: 10/3/2013

STATE OF California)
