ASSIGNMENT

THIS ASSIGNMENT, by Nicholas S. Bodor, a citizen of the United States residing at 10225 Collins Avenue, Units 1002-1004, Bal Harbour, FL 33154 US, hereinafter referred to as the assignor, witnesseth:

WHEREAS, the said assignor has invented new and useful improvements in:

TREATMENT OF EYELID DERMATITIS

set forth in the following patent application:

United States Patent Application No. 13/104,846,
filed May 10, 2011

WHEREAS, BODOR LABORATORIES, INC., a corporation of Florida, having a business address at 4400 Biscayne Boulevard, Suite 980, Miami, FL 33137, US (hereinafter referred to as the assignee) is desirous of acquiring the entire right, title and interest in and to the invention and said patent application, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW, THEREFORE, for One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, the said assignor by these presents does assign, transfer and set over, unto the said assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned invention and patent application, and any and all Letters Patent or Patents in the United States of America and all foreign countries which

may be granted therefor and thereon, and in and to any and all divisions, continuations, or reissues of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty and the European Patent Convention, the same to be held and enjoyed by the said assignee, for its own use and behoof and the use and behoof of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignor, had this assignment not been made.

AND for the same consideration, the said assignor hereby covenants and agrees to and with said assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, the said assignor is the sole and lawful owner of the entire right, title and interest in and to the said invention and the patents and patent applications above mentioned, and that the same are unencumbered and that the said assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

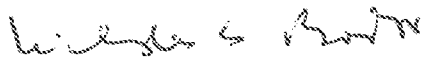

AND for the same consideration, the said assignor hereby covenants and agrees to and with the said assignee, its successors, legal representatives and assigns, that the said assignor will, whenever counsel of the said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said invention, or said patent application, or any proceeding in connection with Letters Patent for said invention in any country, including interference proceedings, is lawful and desirable, or that any division or continuation of any application for Letters Patent, or any reissue of any Letters

Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of the said assignee, its successors, legal representatives and assigns.

AND the said assignor hereby requests the Director of the United States Patent and Trademark Office to issue any and all Letters Patent of the United States to the said assignee as the assignee of said inventions and the Letters Patent to be issued thereon for the sole use and behoof of the said assignee, its successors, legal representatives and assigns.
