ASSIGNMENT
(Worldwide)

WHEREAS, **Dmitry Roman Bandura**, whose full post office address is 119 Kemano Road, Aurora, Ontario L4G 4R2, hereinafter referred to as "Assignor", is the owner of rights in an invention relating to and entitled:

Apparatus and Method for Elemental Analysis of Particles by Mass Spectrometry hereinafter referred to as the "Invention", as fully set forth and described in applications for Letters Patent identified as:

- i) Country: **United States Provisional**
Patent/Application Number: **60/837,605**
Filed: **August 15, 2006;**
- ii) Country: **Patent Cooperation Treaty**
Patent/Application Number: **WO/2008/019492**
Filed: **August 14, 2007;**
- iii) Country: **United States of America**
Patent/Application Number: **11/838,353**
Filed: **August 14, 2007;** and
- iv) Country: **Canada**
Patent/Application Number: **2,658,787**
Filed: **August 14, 2007**

hereinafter collectively referred to as the "Applications";

WHEREAS, **DVS Sciences Inc.**, hereinafter referred to as "Assignee", whose full post office address is 70 Esna Park Drive, Unit 12, Markham, Ontario, Canada, L3R 6E7, desires among other things to acquire Assignor's entire right, title, interest and benefit for Canada, the United States of America, and the world in and to the Invention and Applications;

AND WHEREAS, Assignor executed a Power of Attorney on June 3, 2008 in favour of Scott Tanner;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby confirms that Assignor has, at least as early as the several filing dates of the Applications, sold, assigned, transferred and set over to Assignee and, for greater certainty, does hereby sell, assign, transfer and set over to Assignee, and to Assignee's successors, assigns, nominees or other legal representatives, Assignor's entire right, title, interest, property and benefit (including the right to sue for past

infringement) in and for **Canada, the United States of America and the world** in and to the Invention and the Applications, including any and all corresponding applications whether in the form of divisions, continuations, re-examinations, re-issues and extensions thereof, any and all Letters Patent and Registrations that may issue, be granted or result therefrom for the Invention, and any and all rights of priority resulting from the filing of the above-identified Applications, the said corresponding Applications and any previously filed applications in respect of the Invention under international conventions, treaties or otherwise, the same to be held and enjoyed as fully and exclusively as the same would have been held and enjoyed by Assignor had this sale, assignment, transfer and setting over not been made;

Assignor does hereby covenant and agree to do all such lawful acts and things and to execute and deliver without further consideration such further lawful assignments, instruments, assurances, applications and other documents as may reasonably be required by said Assignee, or by its successors, assigns, nominees, or other legal representatives, to obtain each said Letters Patent and Registrations of Canada and all other countries and jurisdictions for the Invention and vest or secure the same in Assignee, and in Assignee's successors, assigns, nominees or other legal representatives.

AND ASSIGNOR does hereby authorize any official whose duty it is to grant patents or registrations, to grant each said Letters Patent and Registration for the Invention to the Assignee, and to Assignee's successors, assigns, nominees or other legal representatives.

AND ASSIGNOR, on behalf of itself and its heirs, executors and administrators, does hereby authorize said Assignee, its successors, assigns, nominees or other legal representatives, including its Patent Agents, Ogilvy Renault LLP, to amend the present assignment document to insert or correct the filing date, serial number or other identifying information of the Applications as may be needed to record same.

THIS ASSIGNMENT may be executed in counterparts, all of which shall be considered one and the same agreement. This Assignment shall be effective to transfer an Assignor's entire right, title, interest, property, and benefit to Assignee upon execution of this Assignment by such Assignor, regardless of whether any other Assignor executes this Agreement.
