ASSIGNMENT OF INVENTION AND PATENT APPLICATION

WHEREAS I, Terrence L. Reinhart, an individual residing in Findlay, Ohio, United States of America, have made an invention entitled design for a STORAGE CONTAINER HANDLE CLIP for which I am filing a US design patent application executed concurrently herewith;

WHEREAS Centrex Plastics, LLC, a limited liability company duly formed under the laws of the State of Ohio, United States of America, desires to acquire the entire right, title and interest in the United States in and to said invention and said application, all of my rights, including the right of priority, under the Paris Convention of 1883 and subsequent modifications thereof and under all subsequent intellectual property treaties to which the United States is a party, and in and to any and all United States or foreign Letters Patent to issue therefor;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of Ten Dollars (\$10.00), in hand paid, the receipt whereof and sufficiency of which I hereby acknowledge, I, Terrence L. Reinhart, hereby sell, assign and transfer unto said Centrex Plastics, LLC all of my right, title and interest in and to said application and invention in the United States, all of my rights, including the right of priority, under the Paris Convention of 1883 and subsequent modifications thereof and under all subsequent intellectual property treaties to which the United States is a party, and in and to any and all United States or foreign Letters Patent to issue therefor.

I agree to execute any and all documents required or requested by said Centrex Plastics, LLC or its successors or assigns, for the prosecution of said application, or of any division, reissue, continuation or continuation-in-part thereof and, also, to execute any documents required by it, its successors or assigns, more fully to vest in it or them the title to said invention, or to any application or patent that may be filed therefor or secured thereon.

Terrence L. Reinhart
