Agreement on Intellectual Property Rights

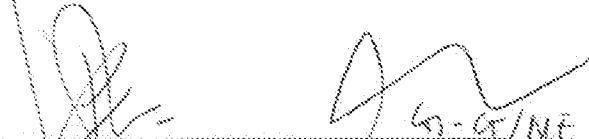

(„AGREEMENT“)

1. This AGREEMENT is made by and between Bosch Transmission Technology B.V. („BTT“), having a place of business at Dr. Hub van Doorneweg 120, 5026 RA Tilburg, The Netherlands, and Robert Bosch GmbH („BOSCH“), Postfach 30 02 20, 70442 Stuttgart, Germany (the „PARTIES“).
BTT is a member of the Bosch Group and is controlled by BOSCH.
2. This AGREEMENT implements the Bosch Group central directive "Handling of Inventions at RG (regional company/-ies) of the Bosch Group" at BTT.
3. This AGREEMENT is applicable to all patent applications and patents based on inventions (co-)conceived by one or more of BTT's employee(s) and/or one or more third party inventor(s) whose rights to such inventions were assigned to BTT ("BTT PATENTS"). Such BTT PATENTS are (co-)owned by BTT and, therefore, BTT is entitled to file domestic and/or foreign patent applications in relation thereto.
4. The PARTIES agree that BOSCH shall be named the applicant in all domestic and foreign BTT PATENTS filed by or on behalf of BTT. Accordingly, the applicant and patentee named in the official patent register shall be BOSCH and any official publication of BTT PATENTS shall issue in the name of BOSCH.
This naming of BOSCH as the patent applicant and patentee shall be solely declaratory. BTT's rights and obligations with respect to BTT PATENTS shall remain unaffected by this AGREEMENT.
5. This AGREEMENT shall come into effect retroactively from December 1, 2009 and shall continue for an indefinite time.
This AGREEMENT can be terminated by either one of the PARTIES by written notice.
6. This AGREEMENT shall be governed by the laws of Germany.
