PATENT PORTFOLIO ASSIGNMENT

WHEREAS, **Welleore Corporation**, a limited company incorporated in California, and having offices previously at 2870 Zankar Road, Suite 130, San Jose, CA, 95134 (hereinafter "WC"), owns all right, title, and interest in the Patents and Applications listed in Schedule A, and any inventions described therein; and

Numera, Inc., a Delaware corporation having offices at 1511 3rd Avenue, Suite 808, Seattle, WA, 98101 (hereinafter "NI") desires to own WC's entire right, title, and interest in and to the Patents and Applications listed in Schedule A and to the inventions, in all countries throughout the world, described therein.

NOW WHEREFORE, be it known that, for good and valuable consideration, receipt of which is hereby acknowledged, WC hereby sells, assigns, transfers, and sets over to NI, its lawful successors and assigns and NI hereby accepts from WC, WC's entire right, title, and interest in and to the Patents and Applications listed in Schedule A, the inventions described therein, any other patent application directed to said inventions, and all Letters Patent of the United States that may be granted thereon, and all reissues, reexaminations, and extensions thereof; and all rights to claim priority on the basis of such Patents or Applications, and all applications for Letters Patent that may be filed for said inventions in any foreign country and all Letters Patent that may be granted on said inventions in any foreign country, and all extensions, renewals, and reissues thereof; and WC hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for these inventions to NI, its successors and assigns, in accordance with the terms of this Assignment:

AND, WC HEREBY further covenants that WC has the full right to convey the interest assigned by this Assignment, WC will take all action and execute all documents necessary to perfect the interest assigned hereby, and WC has not executed and will not execute any agreement in conflict with this Assignment:

AND, WC HEREBY further covenants and agrees that WC, through its officers and employees, will, with consideration of \$150 an hour, communicate with NI, its successors and assigns, any facts known to WC and its officers and employees respecting the inventions and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver all papers that may be necessary or desirable to perfect the title to the inventions in said NI, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths, and generally do everything possible to aid NI, its successors and assigns, to obtain and enforce proper patent protection for the inventions in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by NI, its successors and assigns.

IN TESTIMONY WHEREOF, each party has caused its authorized representative to execute this Assignment.
