Title of invention

described in :

- a patent application bearing the same title,
- a provisional US patent application filed on **May 27, 2011** and bearing application number **61/490,668**;

and whereas **EXFO INC.**, whose full post office address is **400, AVE GODIN, QUEBEC, QC, G1M 2K2, CANADA** and hereinafter referred to as the "assignee", is desirous of acquiring the entire right, title and interest in the same;

Now, I/we hereby confirm that effective the date of my/our invention of the said invention as described in the aforesaid patent or patent application, I/We did assign and transfer, unto said assignee, by virtue of an employment agreement or other form of contract or agreement entered into with the assignee prior to making the said invention, the entire right, title and interest in and to said invention, and the entire rights, title and interest in and to any and all Patents which may be granted for said invention, in any country;

I/we hereby authorize the issuance to said assignee of any and all Patents of the entire right, title, and interest in and to the same, for his sole use and benefit; and for the use and benefit of his successor, assigns or legal representatives, to the full end of the term for which said Patents may be granted, as fully and entirely as the same would have been held by me/we had this assignment not been made; and

I/we hereby undertake to execute without further consideration all documents that may be required to obtain said any and all Patents for the said invention.
