ASSIGNMENT AND AGREEMENT

FOR VALUE RECEIVED, Ballistic Applications and Materials

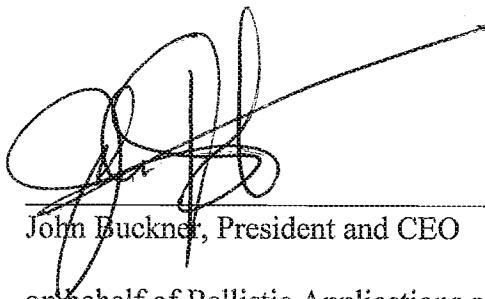

International, LLC, (hereinafter referred to as “the assignor”) a limited liability company duly organized and existing under the laws of the Commonwealth of Delaware, and having a principal place of business at 1317 Grant Avenue, Butler PA 16029, hereby sells, assigns and transfers to **Ricky A. Houghton** (hereinafter referred to as “the assignee”) a citizen of the United States of America, and residing at 10522 Meinert Rd. Wexford, PA 15090 and his successors, assigns, and legal representatives, the entire right, title and interest, for all countries in and to certain inventions relating to improvements in a **METHOD AND SYSTEM FOR ADAPTING USE OF A RADIO LINK BETWEEN A REMOTELY CONTROLLED DEVICE AND AN OPERATOR CONTROL UNIT**, which are described in U.S. Patent 8,483,270 B2, patent issue date 9 July 2013, for the entire term of the Patent and for any reissues or term extensions.

The assignor further agrees to: (a) cooperate with the assignee in the protection of the patent rights and prosecution and protection of foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer; and (c) perform such other acts as the assignee lawfully may request to obtain or maintain the referenced patent and any and all applications and registrations for the invention in any and all countries.

The assignee shall be solely responsible for all costs and actions whatsoever, including attorney’s fees, costs associated with the perfection of rights, title and interest in the referenced patent, and shall be solely responsible for costs associated with any future maintenance and enforcement of the referenced patent.

The assignor covenants with the assignee, his successor, assigns, and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that the assignor has full right to convey the same as herein expressed.

Effective September 30th, 2013.

John Buckner, President and CEO

on behalf of Ballistic Applications and
Materials International, LLC, Assignor

Signed in our presence and acknowledged to be an assignment of the application
(invention) herein above referred to.
