**RELEASE OF A SECURITY INTEREST - PATENTS**

This Release of Patent Security Agreement (this "Release of Patent Security Agreement") is made as of October 25, 2013, by Cerberus Business Finance, LLC as successor to CorePointe Capital Finance LLC, in its capacity as collateral agent for itself and the other Secured Parties (together with its successors and assigns in such capacity, "Grantee"), in favor of Coto Technology, Inc. ("Grantor").

WHEREAS, the Grantor holds all right, title and interest in the letters patents, designs patents and utility patents listed on the attached Schedule A, which patents are issued or applied for in the United States Patent and Trademark Office (the "Patents");

WHEREAS, the Grantor had entered into a Pledge and Security Agreement, dated July 11, 2011 (as amended, restated, supplemented, modified or otherwise changed from time to time, the "Security Agreement"), in favor of the Grantee; and

WHEREAS, pursuant to the Security Agreement, the Grantor had granted to the Grantee for the benefit of the Secured Parties (as defined in the Security Agreement), a continuing security interest in all right, title and interest of the Grantor in, to and under the Patents and the applications and registrations thereof, and all proceeds thereof, including without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the "Collateral"), to secure the payment, performance and observance of the Secured Obligations (as defined in the Security Agreement).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and in accordance with the terms and obligations set forth in the Security Agreement, the Grantee, without any representation, warranty or recourse of any kind, hereby releases and discharges the security interest in and to the Patents granted to the Grantee and granted to the Grantee for the benefit of the Secured Parties.

All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

The Grantee does hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the Collateral, more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein, are hereby released.

This Release of Patent Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.
