OP \$40.00 29417910

ASSIGNMENT

**WHEREAS**, Christopher Dungey of Pocatello, Idaho, has invented an improvement in STRING INSTRUMENT END PIN SUPPORT and has executed an application for United States patent based therein simultaneously herewith;

**WHEREAS**, Bowed Acoustics, a Montana limited partnership having a business at 5075 Lupine Road, Missoula, Montana, whose general partners are Mark Hollinger, and Christopher Dungey (hereinafter referred to as the limited partnership) is desirous of acquiring certain rights thereunder;

**NOW, THEREFORE**, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, receipt of all of which is hereby acknowledged, we have agreed to and do hereby sell, assign and transfer unto said limited partnership the entire right, title and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said invention, said United States application, any other United States applications (including provisional, non-provisional, divisional, continuing or reissue applications) based in whole or in part on said United States application or in whole or in part on said invention, any foreign applications based in whole or in part on any of the aforesaid United States applications or in whole or in part on said invention, and any and all patents (including extensions thereof) of any country which have been or may be granted on any of the aforesaid applications or on said invention or any part thereof;

TO BE HELD AND ENJOYED by said limited partnership, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by us had no sale and assignment of said interest been made;

AND we hereby authorize and request the Director of the United States Patent and Trademark Office of the United States of America to issue any and all United States patents which may be granted upon said United States applications or any of them, or upon said invention or any part thereof, to said limited partnership;

AND we hereby agree for ourselves and for our heirs, executors and administrators, to execute without further consideration any further lawful documents and any further assurances, and any provisional, non-provisional, divisional, continuing, reissue, or other applications for patents of any country, that may be deemed necessary by said limited partnership fully to secure to said limited partnership its interest as aforesaid in and to said invention or any part thereof, and in and to said several patents or any of them;

AND we hereby covenant for ourselves and our legal representatives, and agree with said limited partnership, its successors and assigns, that we have granted no right or license to make, use or sell said invention, to anyone except said limited partnership, that prior to the execution of this deed, our right, title and interest in said invention had not been otherwise encumbered, and that we have not executed and will not execute an instrument in conflict herewith.

IN WITNESS WHEREOF, we have hereunto set our hands this  
31<sup>st</sup> day of October, 2013.

  
 Christopher Dungey
