## **ASSIGNMENT**

This Assignment is made by **Boyd I. Willat**, of Venice, California, **Amber Willat**, of Venice, California, **Robert Portillo**, of Carlsbad, California, **Barbara Heizer**, of New York, New York, and **Joseph T. Perrulli** of St. Helena, California, Assignors, to **BY THE GLASS, LLC**, a Nevada limited liability company, Assignee, having a place of business at 615 Hampton Drive, Loft C103, Venice, California 90291.

WHEREAS, Assignors have invented certain new and useful improvements for a **BEER GLASS**;

WHEREAS, Assignors believe themselves to be the original, first and joint inventors of the invention; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention, all corresponding patent application(s) and any Letters Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign, and transfer to Assignee, the entire right, title, and interest in and to said invention, said application(s) and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said invention, said application(s), and any Letters Patent granted for said invention in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application(s) or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said design.

IN WITNESS WHEREOF, Assignors have executed this Assignment on the dates written below.
