⇒ Recordal of Change of Address

Dear Mr. Champagne,

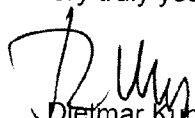

We refer to our letter of June 11, 2008 (copy enclosed) and our subsequent reminders to which we never received a reply.

However, having reviewed our files, it seems that the new address of the applicant, **Am Klopferspitz 19, 82152 Martinsried, Germany**, was recorded for some of the patents and trademarks listed in the attached schedule. We kindly ask you to check your files and/or the official files, if necessary, and specify the cases for which the new address has been recorded. Please also let us have proof of the recordal against these cases, preferably copies of the official notification of the recording.

For the remaining cases, please take the necessary steps to have the new address recorded at your earliest convenience.

We look forward to hearing from you.

Very truly yours,

Dietmar Kuhl
-Patent Attorney-
