EXHIBIT II

CONFIRMATORY PATENT ASSIGNMENT

WHEREAS, ECOVER COORDINATION CENTER N.V., a corporation organized and existing under and by virtue of the laws of the Country of Belgium, and having offices at Steenovenstraat 1A, 2390 Malle, Antwerpen, Belgium B-2390 ("Assignor"), owns certain new and useful invention(s) disclosed in the application for Letters Patent of the United States assigned application serial number 13/575,474, filed on August 24, 2012, and is entitled:

Composition For The Prevention Or Removal Of Insoluble Salt Deposits

WHEREAS, ITACONIX CORPORATION, a corporation organized under the laws of the State of Delaware, having offices at 2 Marin Way, Stratham, NH, USA 03885 ("Assignee"), is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent to be obtained therefore;

AND WHEREAS Assignor and Assignee have agreed by a Patent Purchase Agreement (the "Purchase Agreement") dated April 15, 2013, by and between Assignor and Assignee, the terms of which are incorporated herein by reference, that Assignor shall sell, transfer, assign and set over unto Assignee and Assignee shall accept, all rights, title and interest in and to the Patent Application as specified in this Agreement;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, the Assignor has sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application, and in and to the said application, all divisions, continuations, continuations-in-part, or renewals thereof, all Letters Patent which may be granted there from, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed under the Patent Cooperation Treaty, any regional patent offices and in any foreign countries for Letters Patent on the said inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted there from; and hereby further transfers and assigns to Assignee all causes of action, rights and remedies under such application or any Letters Patent to be issued upon this application.

AND, for the consideration aforesaid, the Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all United States Letter Patent for the aforesaid inventions and improvements to the said Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the said Assignee, its successors and assigns.

AND, for the consideration aforesaid, the Assignor hereby agrees that the Assignor and our

executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be;

AND, furthermore, the Assignor covenants and agrees with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by the Assignor.
