Serial No.: PCT/US2011/047440

Filed: August 11, 2011

**In Consideration** of One Dollar and other good and valuable considerations, the receipt of which is hereby acknowledged, the entire right, title and interest in the invention or improvements of the undersigned in **LOCKABLE DISPENSING PACKAGE AND ACTUATOR** and in (1) the Patent Cooperation Treaty (PCT) International Application therefor which designates, inter alia, the United States of America, (2) any Letters Patent and/or utility model that may be granted on said invention, and (3) any reissue or extension of any Letters Patent and/or utility model that may be granted on said invention, are hereby assigned by the undersigned to **APTARGROUP, INC.**, a Delaware corporation, having offices at **475 West Terra Cotta, Suite E, Crystal Lake, Illinois 60014-9695, United States of America**, and the successors, legal representatives and assigns of **APTARGROUP, INC.** (hereinafter collectively called said Assignee), and the United States of America Commissioner for Patents is hereby authorized and requested by the undersigned to issue any said Letters Patent to said Assignee.

**For said considerations** it is hereby agreed by the undersigned, upon the request of said Assignee, to execute any necessary and proper oaths or affidavits relating to said application or required for the filing or prosecution of any national stage application therefor or any divisional or continuing application thereof or for the filing or prosecution of any application for the reissue or extension of any Letters Patent that may be granted on said invention or improvements that said Assignee may deem necessary or expedient, and for the said considerations it is further agreed by the undersigned, upon the request of said Assignee, in the event of said application or any division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in interference, to cooperate to the best of the ability of the undersigned with said Assignee in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and further to perform, upon such request, any and all affirmative acts to obtain said Letters Patent and vest all rights therein hereby conveyed in the said Assignee as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made. And for the said considerations the entire right, title and interest in said invention or improvements, including all priority rights, and the right to claim priority rights and the privileges and benefits thereof, including those under the International Convention, and all other Conventions, and the right to file applications for patent and utility model in said Assignee's own name for said invention or improvements in each and every country of the world are hereby assigned and granted by the undersigned to said Assignee. It is further agreed by the undersigned, upon the request of said Assignee, to execute any and all documents that shall be required of the undersigned to be executed in connection with any and all applications for foreign Letters Patent or utility models therefor, including the prosecution thereof, and to execute any and all documents necessary to invest title in said foreign applications and patents and utility models in said Assignee. The undersigned also further agrees, for the said considerations, upon the request of said Assignee, to promptly perform all lawful acts deemed by said Assignee to be necessary or advisable in connection with maintaining, enforcing, or transferring the resulting grants of said Letters Patent in the United States or Letters Patent and utility models in foreign countries. It is agreed that such lawful acts include, but are not limited to, taking oaths, executing declarations, powers, assignments and other papers and giving testimony.
