ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I

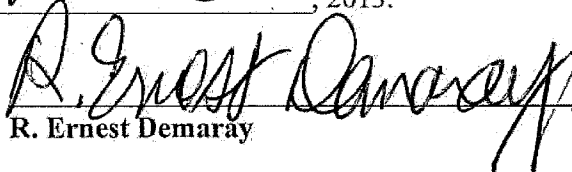

R. Ernest Demaray of Portola Valley, California

hereby sell, assign and transfer to **DEMARAY, LLC**, a Delaware corporation having a place of business at 190 Fawn Lane, Portola Valley, California, 94028, United States, its successors and assigns, the entire right, title and interest throughout the world in our invention in

ADIABATIC PLANAR WAVEGUIDE COUPLER TRANSFORMER

for which we have executed a United States patent application no. 14/078,168 on November 12, 2013, of this assignment, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; we authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from us; we agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and we request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 12 day of November, 2013.

R. Ernest Demaray
