ASSIGNMENT

WHEREAS, WE, Abu Alam, of 1471 Littlefield Court, Lake Forest, IL 60089 ("Alam"), Elias Reichel, of 74 Chestnut Street, Weston, MA 02493 ("Reichel") and Brandon Busbee, of 11 Warwick Lane, Tennessee 37205, USA, ("Busbee") respectively, hereinafter collectively referred to as the Owners, have invented and own a certain invention described in an application for a U.S. patent (provisional or non-provisional) entitled:

AQUEOUS GEL FORMULATION AND METHOD FOR INDUCING TOPICAL ANESTHESIA

which was filed on July 24, 2006 , under U.S. Application No. 11/491,611 , and

WHEREAS, Akorn, Inc., of 2500 Millbrook Drive, Buffalo Grove, Illinois 60089, hereinafter referred to as Assignee, is desirous of acquiring the entire domestic and foreign right, title, and interest in and to the invention described in the patent application (the "Invention");

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Owners each assign and transfer to the Assignee and the Assignee's legal representatives, successors, and assigns his full and exclusive rights in and to the Invention in the U.S. and every foreign country and each assign the entire right, title, and interest in and to the patent application and other such applications (e.g., provisional applications, non-provisional applications, continuations, continuations-in-part, divisionals, reissues, reexaminations, national phase applications, including petty patent applications, and utility model applications) that may be filed in the United States and any foreign country on the Invention, and the patents, extensions, or derivations thereof, both foreign and domestic, that may issue thereon, and the Owners each do hereby authorize and request the Commissioner of Patents to issue U.S. patents to the above-mentioned Assignee in accordance with the terms of this assignment document.

THE OWNERS HEREBY AUTHORIZE the Assignee to insert in this assignment document the filing date and application number of the application if the date and number are unavailable at the time this document is executed.

UPON SAID CONSIDERATION, the Owners each convey to the Assignee the right to make application in its own behalf for protection of the invention in the U.S. and countries foreign to the U.S. and to claim priority under the Patent Cooperation Treaty, the International Convention and/or other international arrangement for any such application to the filing date of the U.S. application (or any other application on the invention) in such other applications.

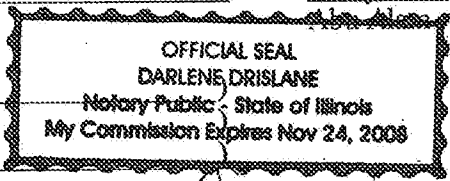

THE OWNERS DO HEREBY COVENANT and agree with the Assignee that the Owners will not execute any writing or do any act whatsoever conflicting with the terms of this assignment document set forth herein, and that each Owner will at any time upon request, without further or additional consideration, but at the expense of the Assignee, execute such additional assignments and other writings and do such additional acts as the Assignee may reasonably

In re Appln. of ALAM et al.
Attorney Docket No. 253654

deem necessary or desirable to perfect the Assignee's enjoyment of this assignment, and render all necessary assistance in making application for and obtaining original, continuation, continuation-in-part, divisional, reissued, reexamined, and national phase patents of the U.S. or of any and all foreign countries on the invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, and by executing statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of all parties hereto.

IN WITNESS WHEREOF, the Owners have hereunder set our hands on the dates shown below.
