COMBINED ASSIGNMENT AND DECLARATION

For value received, I, Huizi KE, a citizen of China, hereby sell, assign and transfer to Shanghai Damao Luggage Co., Ltd., a Chinese corporation having offices at No.2368 Xinjianyi Rd., Xuhang Jiading, Shanghai, China, and its successors, assigns and legal representatives (hereinafter referred to as the "Assignee"), the entire right, title and interest, for the United States of America, in and to certain inventions related to the "Luggage Handle with Tablet PC Support" described in an application for Letters Patent of the United States, executed by me of even date here with, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions.

I also concurrently hereby sell, assign and transfer to Assignee the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Assignee to make application for such protection in its own name and maintain such protection, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements. I request that any and all patents for said inventions be issued to Assignee, or to such nominee as Assignee may designate.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Assignee to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I agree that, when requested, I shall, without charge to Assignee, but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

I hereby declare that:

- My residence and mailing address are as stated below next to my name.
- The above-identified application was made or authorized to be made by me.
- I believe that I am an original inventor or joint inventor of the subject matter which is claimed in the above-identified application.
- I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above.
- I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available
