1. Declaration (37 CFR 1.63) for Design Applications using an Application Data Sheet (37 CFR 1.76)

As an inventor named below, I hereby declare that:

This declaration is directed to the designs identified above and associated with applications filed concurrently or prior to this US Design Declaration and Assignment. I hereby state that I have reviewed and understand the contents of the specification in the above-identified application, including the claims. The above-identified applications were made or authorized to be made by me. I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

I am aware of the duty to disclose information which is material to patentability as defined in 37 C.F.R. 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

2. Assignment to Ford Motor Company

Pursuant to my employment agreement heretofore made or by contractual obligation, I do sell, assign and transfer unto Ford Motor Company ("Ford"), organized and existing by virtue of the laws of the State of Delaware, having its principal place of business at Dearborn, County of Wayne, and State of Michigan, the full and exclusive right for the United States of America and for all foreign countries to the Designs listed above, and I hereby request the Commissioner of Patents and Trademarks to issue said Letters Patent to Ford Motor Company as the assignee. (I hereby authorize the ASSIGEE or ASSIGNEE's attorney to insert the serial/application number and filing date of the application to receive Letters Patent herein: Serial No. 29/472611 Filing Date Nov 14, 2013).

And I hereby agree for myself, my heirs, successors, assigns or other legal representatives to execute any and all papers, including applications for Letters Patent of any and all kinds and in any and all countries, entities and intergovernmental organizations, and to perform any and all acts which the Ford, its successors, assigns or other legal representatives may deem necessary to secure thereto the rights herein sold, assigned and set over.

And I hereby represent and warrant that I have not granted any rights inconsistent with the rights granted herein.
