## ASSIGNMENT

WHEREAS, I, Richard Polk, citizen of the United States of America and resident of Henderson, Clark County, Nevada, USA, am the inventor of a certain new and useful

## PIVOT TIRE SEGMENT

described and claimed in the a United States Design Patent Application filed herewith, and

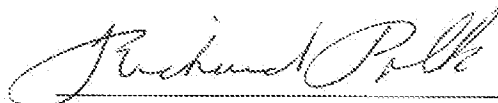

WHEREAS, Amerityre, a corporation of the State of Nevada, whose principal offices are located at 1501 Industrial Road, Boulder City, Nevada 89005, U.S.A., is desirous of acquiring the entire right, title, and interest in and to said invention, said application for United States Letters Patent, and Letters Patent as has been granted on said invention;

NOW, THEREFORE, for and in consideration of Ten Dollars (\$10.00) and of other good and valuable consideration, receipt of which is hereby acknowledged, I, Richard Polk, and by these presents do sell, assign, and transfer to the said Amerityre, my entire right, title and interest in and to the invention for the United States of America, its territories and possessions, and for all foreign countries, and in and to the application for patent and patent, including any divisional, substitute, or continuation application which may grow out of or replace the said application for patent, and in the Design Patent as has issued from the said application or applications and any reissues or extensions of said Design Patent; the invention, application or applications, Design Patent, and any reissues or extensions thereof to be held and enjoyed by the said Amerityre for its own use and behoof and for its legal representatives, successors, or assigns, to the full end of the term or terms for which said Design Patent and any reissues or extensions thereof may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been

made.

And I covenant and agree that, at the request of the said Amerityre, its legal representatives, successors, or assigns, I will, without demanding any further consideration therefor and without expense to me do all lawful and just acts, including the execution and acknowledgment of instruments which may be or may become necessary for obtaining, sustaining, reissuing or extending any and all Design Patent for the invention, and for maintaining and perfecting the said Amerityre's right to the invention and Letters Patent and will testify in cases of interference when requested to do so by the said Amerityre.

Executed this 8<sup>th</sup> day of November, 2013.
