PATENT

THIS ASSIGNMENT made the 13th day of ~~NOVEMBER~~ 2013, by Michael S. Berthold, residing at 336 Chrismall, NC 24540, a citizen of the United States of America;

WITNESSETH: That

WHEREAS, I, along with Scott J. Shargots, residing at 107 Tyler Terrace, Forest, VA 24551; and by Matthew W. Ales, residing at 1481 Lake Shore Drive, Forest, VA 24551, both citizens of the United States of America, am a joint inventor of a certain new and useful improvement and invention in

CRDM INTERNAL ELECTRICAL CONNECTOR

for which we have prepared and filed a United States Provisional Application for Patent on April 17, 2012, having U.S. Application Serial No. 61/625484, and for which we have prepared and filed an application for Letters Patent of the United States on April 16, 2013, having U.S. Application Serial No. 13/863611; and

WHEREAS, NOVATECH, a Corporation organized under the laws of the state of Delaware, U.S.A., and having its principal office at 220 Jefferson Ridge Pkwy, Lynchburg, VA, 24501, U.S.A., is desirous of acquiring the entire right, title, and interest in and to said improvement and invention, and any and all Letters Patent which shall be granted therefor;

NOW, THEREFORE, To All Whom It May Concern, be it known that for and in consideration of the sum of One Dollar (\$1.00) to us in hand paid, and other good and valuable considerations, the receipt of which is hereby acknowledged, I, Michael S. Berthold, have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto said NOVATECH, its successors and assigns, the entire right, title, and interest in and to the above-mentioned improvement, invention, and application for Letters Patent therefor, and in and to any and all Letters Patent of the United States which may hereinafter be granted therefor, and in and to any and all extensions, divisions, or reissues of said Letters Patent, the same to be held and enjoyed by said NOVATECH, for its own use and behoof, and the use and behoof of its successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by me had this assignment and sale not been made;

AND, for the consideration aforesaid, I hereby covenant and agree with said NOVATECH, its successors and assigns, that at the time of the execution and delivery of these presents, we are joint and lawful owners of the entire right, title, and interest in and to the above-mentioned improvement, invention, application, and Letters Patent above mentioned, and that the same are unencumbered, and that I have good right and lawful authority to sell and convey the same in the manner herein set forth;

AND, for the consideration aforesaid, I hereby covenant and agree with said NOVATECH, its successors and assigns, that I will, whenever its counsel or the counsel of its successors or assigns, learned in the law, shall advise that an amendment or division or any other proceeding in connection with said application, including interference proceedings, is lawful and desirable or that a reissue or extension of said Letters Patent is lawful and desirable, sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said improvement and invention, or for the reissue or extension of same, without charge to said NOVATECH, or its successors or assigns, but at its or their expense.

I hereby request the Honorable Commissioner of Patents and Trademarks of the United States to issue the Letters Patent in accordance with this instrument.

AND, for the consideration aforesaid, I have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto said NOVATECH, its successors, assigns, or nominees, the entire right, title, and interest in and to any and all Letters Patent or other form of protection which may be granted in countries foreign to the United States, and in and to any and all applications for Letters Patent or other form of protection which may be filed for said improvement and invention in countries foreign to the United States, including all rights to claim priority, and in and to the invention described in said applications; and I hereby authorize and empower said NOVATECH, its successors, assigns, or nominees, to apply for Letters Patent, or other form of protection, on said improvement and invention, in its own name or in the name of its successors, assigns, or nominees, in any and all countries where it may desire to file such applications and where such
