to BALLY GAMING, INC., a Nevada Corporation, Assignee, having a place of business at 6601 South Bermuda Road, Las Vegas, NV 89119-7990;

WHEREAS, Assignor(s) has/have invented a new and useful invention titled : Apparatus, System and Method for Presenting Different Wagering Games for Concurrent Play for which one or more Application(s) for United States Letters Patent has been/is being or will filed; and WHEREAS, Assignor(s) believe himself/herself/themselves to be the original first inventor(s) of the invention(s) disclosed and claimed in such Application filed on September 27, 2013 and assigned Application Number 14/039,787; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention(s), said Application, and any Letters Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor(s) agree(s) as follows:

1. That Assignee and or its legal Representative is given the authority and power to enter the Application filing date and Application Number in the event the same is not recorded above.
2. That Assignor(s) has/have sold, assigned, transferred and set over, and by these presents hereby sell, assign, transfer and set over to Assignee all of Assignors' right, title and interest in, to and under said invention(s) and said Application, including (a) the right to apply for patents in the United States of America and in all foreign countries for said invention(s), (b) all Applications for patents for said invention(s) or based on said Application in all countries, now filed or to be filed, including all non-provisional, divisional, renewal, substitute, continuation, continuation-in-part and convention/treaty Applications based in whole or in part upon said invention(s) or upon said Application, (c) all patents which may issue on said invention(s) and on any application transferred by this Assignment in the United States and foreign countries, and any and all reissues, extensions, divisions, renewals, substitutes, continuations or continuations-in-part of patents granted for said invention(s) or upon such Application, for the full term or terms for which the patents may be issued, and (d) every priority right that is or may be predicated upon or arise from said invention(s), said Application and such patents under any applicable international or bilateral treaty, agreement or convention. Assignor(s) hereby authorize(s) Assignee to

file a patent Application in all countries for any or all of said invention(s) in Assignors' name, or in Assignee's name, or otherwise as Assignee may deem advisable, under any international or bilateral treaty, agreement or convention, or otherwise.

3. That Assignor(s) agree(s) that, upon request and without further compensation, but at no expense to Assignors, they and their legal representative(s) and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing a Letters Patent in the United States and throughout the world for said invention(s), and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said invention, said application(s), and any Letters Patent granted for said invention in the United States and throughout the world.

4. That Assignor(s) represent(s) and warrant(s) that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.
