**PATENT ASSIGNMENT AGREEMENT**

WHEREAS, **Mitotech LLC** ("ASSIGNEE"), having a principal place of business at Krzhizhanovskogo Str. 14, Bld 3, Moscow, Russian Federation 117218 is the owner by assignment from the inventors Vladimir Petrovich Skulachev and Maxim Vladimirovich Skulachev (recorded at Reel/Frame 024891/0765), of the entire right, title to and interest in:

U.S. Patent Application Serial No. 12/524972, filed in the United States Patent and Trademark Office on August 3, 2010 and entitled: "Pharmaceutical and Cosmetic Compositions for Accelerated Healing of Wounds and Other Surface Damages"; and

further including i) any improvements and modifications of the above identified inventions; ii) applications for Letters Patent of the United States and countries foreign thereto; iii) all Letters Patent that may issue therefrom in the United States and countries foreign thereto; iv) all divisions, continuations reissues, and extensions of said applications for Letters Patent; and v) the right to claim for any of the said applications the full benefits and priority rights under the International Convention and any other international agreement to which the United States adheres; all such right, title and interest (collectively the "Property Rights").

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, **Mitotech LLC**, hereby assigns to:

**Mitotech SA**, having a principal place of business at  
42 Rue de la Vallee, Luxembourg, Luxembourg L-2661

and its successors, assigns and legal representatives, (collectively referred to as the "ASSIGNEE"), its entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to the Property Rights and the invention(s) described in said Property Rights, together with its entire right, title and interest in and to said applications, and such Letters Patent that may issue thereon and applications that claim priority thereto under United States law or international convention, and such Letters Patent that may issue thereon, including but not limited to non-U.S., international, non-provisional, continuation, divisional, reissue, reexamination, extension, and substitution applications of said applications and such Letters Patent, and any right, title and interest it may have in provisional or non-U.S. patent applications to which said applications claims priority; said invention(s), applications and Letters Patent to be held and enjoyed by said ASSIGNEE and for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held by ASSIGNEE had this assignment not been made. ASSIGNOR hereby convey all of its rights arising under or pursuant to any and all United States laws and international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patent, including but not limited to any cause(s) of action and damages accruing prior to this assignment. ASSIGNOR hereby acknowledges that this assignment, being of its entire right, title and interest in and to said invention(s), carries with it the right for ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all Patents and the right to procure the grant of all Patents to ASSIGNEE in its own name as assignee of ASSIGNOR's entire right, title and interest therein. ;

ASSIGNOR hereby further agrees for itself and its executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the aforesaid invention(s) to said ASSIGNEE, its successors, assigns and legal representatives, but at ASSIGNEE's expense and charges, including the execution of papers for filing of

non-provisional, substitution, continuation, divisional, reissue, reexamination, and corresponding foreign and international patent applications;

ASSIGNOR hereby authorizes and requests the Director of the United States Patent and Trademark Office and the empowered officials of all other governments to issue such Patents as shall be granted upon said application, or applications based thereon, to said ASSIGNEE, its successors, assigns or legal representatives.

*IN TESTIMONY WHEREOF*, we have hereunto set our hands and affixed our seals on the date(s) set forth below.
