RELEASE OF PATENT SECURITY INTEREST dated as of October 28, 2013 (this “Release”), by JPMORGAN CHASE BANK, N.A., as Collateral Agent (the “Collateral Agent”) in favor of the Grantors (as defined below). Capitalized terms used herein and not otherwise defined shall have the meanings assigned to such terms in the Credit Agreement or the U.S. Guarantee and Collateral Agreement, as applicable, in each case, referred to below.

A. Reference is made to (i) the Credit Agreement dated as of February 27, 2003 (as further amended, supplemented or otherwise modified from time to time, the “Credit Agreement”) among TRW AUTOMOTIVE HOLDINGS CORP., a Delaware corporation (“Holdings”), TRW AUTOMOTIVE INTERMEDIATE HOLDINGS CORP., a Delaware corporation (“Intermediate Holdings”), TRW AUTOMOTIVE INC. (f/k/a TRW AUTOMOTIVE ACQUISITION CORP.), a Delaware corporation (the “U.S. Borrower”), the foreign subsidiary borrowers party thereto, the lenders from time to time party thereto and JPMorgan Chase Bank, N.A., as administrative agent and Collateral Agent, (ii) the U.S. Guarantee and Collateral Agreement dated as of February 28, 2003 (as further amended, supplemented or otherwise modified from time to time, the “U.S. Collateral Agreement”), among Holdings, Intermediate Holdings, the U.S. Borrower, each subsidiary of Holdings from time to time party thereto, TRW AUTOMOTIVE FINANCE (LUXEMBOURG) S.A.R.L. (“Finco”) and the Collateral Agent and (iii) (a) the Patent Security Agreement dated as of January 24, 2005, among the Holdings, Intermediate Holdings, the U.S. Borrower, certain subsidiaries of Holdings party thereto and the Collateral Agent and (b) the Patent Security Agreement dated as of September 28, 2012 (together with the Patent Security Agreement dated as of January 24, 2005, the “Patent Security Agreements”) among Holdings, the U.S. Borrower, certain subsidiaries of Holdings party thereto and the Collateral Agent.

B. Pursuant to the Credit Agreement, the U.S. Collateral Agreement and the Patent Security Agreements, Holdings, Intermediate Holdings, the U.S. Borrower and certain subsidiaries of Holdings (collectively, the “Grantors”) granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in all right, title or interest of the Grantors in, among other things, the patents and patent applications of the Grantors set forth on Schedule I hereto (collectively, the “Patent Collateral”), which security interests were recorded with the United States Patent & Trademark Office on March 31, 2005 at Reel/Frame 015991/0001, on January 30, 2006 at Reel/Frame 019089/0874 and on December 21, 2012 at Reel Frame 29529/0534.

C. Pursuant to Section 5.14 of the Credit Agreement, the U.S. Borrower has notified the Collateral Agent that it has received an Investment Grade Rating from Standard and Poor’s Ratings Group, Inc. and that a Collateral Release Period has commenced. Accordingly, any and all security interests that the Collateral Agent, on behalf of the Secured Parties, may have in the Patent Collateral are automatically released pursuant to the Collateral Release Period and the terms set forth in Section 5.14 of the Credit Agreement.
Accordingly, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Collateral Agent does hereby confirm release and discharge of any and all security interests it has against the Patent Collateral. The Collateral Agent agrees to make filings with the United States Patent and Trademark Office and other necessary filings, in each case reasonably requested by the U.S. Borrower and at the expense of the U.S. Borrower, to evidence the release, discharge and termination of the Collateral Agent’s security interests in the Patent Collateral.

The execution and delivery of this Release and the performance of any actions by the Collateral Agent in accordance with this Release are made without representation or warranty by, or recourse to, the Collateral Agent or any other Secured Party.

THIS RELEASE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK AND SHALL BE BINDING UPON THE COLLATERAL AGENT’S REPRESENTATIVES, SUCCESSORS, ASSIGNS AND TRANSFEREES.

[The remainder of this page intentionally left blank]
IN WITNESS WHEREOF, the Collateral Agent has caused this Release to be duly executed as of the day and year first above written.

JPMORGAN CHASE BANK, N.A., as Collateral Agent

**Internal Title**

- Steel Tubing
- Curtain/Thorax Bag Design
- Roof Rail Airbag Head Impact Ramp
- Lightweight Coating for OPW Curtain
- Passive Module Venting
- Rollover Curtain Bag Pattern
- Airbag Inflator Design Utilizing Internal High Velocity Nozzle
- Cold Gas Inflator for Roll Over Curtain Protection
- Retention and Support of SAVe Tether
- Side Curtain Rollover Inflator - Warm Gas Technology
- Adaptive Tethering and Venting
- Curtain Bag Design And Functional Attribute
- Polyether Polyurethane OPW bag coating
- Flat Curtain Airbag
- Single Inflator Pivot Joint Dual Curtain Module
- Center Tearseam with Side Tear Tabs
- Micro Gas Generator
- Development of Dual Chamber Metal Impact
