ASSIGNMENT OF PATENTS

WHEREAS, Washington State University Research Foundation of Pullman, Washington, hereinafter referred to as Assignor, is the owner of record of the following intellectual property as shown in Appendix A

AND WHEREAS, Washington State University, having a place of business at P.O. Box 641802, Pullman Washington, and referred to as Assignee, is desirous of acquiring right, title, and interest in said intellectual property as shown in Appendix A.

NOW THEREFORE, for a valuable consideration, the receipt of which is hereby acknowledged, effective July 1, 2013, Assignor hereby assigns, sells and transfers unto the said Assignee, its successors and assigns, its entire right, title and interest in and to inventions disclosed in the patent applications and in the Letters Patent of the United States and in and to any Letters Patent or Inventor's Certificates of any and all foreign countries which have or may be granted therefore, and in and to any and all priority and/or Convention rights or benefits accruing or to accrue to us with respect to the filing or securing of patents in the United States and/or securing of patents or inventor's certificates in any and all countries foreign thereto, including rights to recover from past infringement, and in and to all trademarks.

WITNESSETH, my hand this 19th day of November, 2013

Washington State University Research Foundation. (Assignor)

Sita Pappu
