ASSIGNMENT

WHEREAS, **Brian M. NOVACK**, residing at **St. Louis, MISSOURI**, **Stephanie ANDREWS**, residing at **Dallas, TEXAS**, **Aditya ARORA**, residing at **Johns Creek, GEORGIA**, **Emlyn C. JEFFREY**, residing at **San Antonio, TEXAS**, and **Gary SMITH**, residing at **Dallas, TEXAS**, hereafter referred to as Assignors, are each listed as an inventor on a patent application entitled "**NETWORKED DEVICE ACCESS CONTROL**," having AT&T Docket No. **2013-0905 (P44522)**, the patent application to be filed in the United States Patent & Trademark Office; and

WHEREAS, **AT&T INTELLECTUAL PROPERTY I, L.P.**, a **CORPORATION** organized and existing under the laws of **GEORGIA, United States**, and having an address at **675 W. Peachtree Street, Suite 4000, Atlanta, GEORGIA 30308, United States**, (hereinafter referred to as Assignee), desires to acquire the entire right, title and interest for the United States of America and elsewhere throughout the world in and to said invention and the patent application identified above, including any and all divisions and continuations thereof and any and all Letters Patent which may be granted thereon, including any and all renewals, reissues and prolongations thereto;

NOW THEREFORE, be it known that for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration the receipt of which from Assignee is hereby acknowledged, we, as Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my entire right, title, and interest in and to this invention and this non-provisional application, and all divisions, substitutions, and continuations thereof; and all Letters Patent of the United States which may be granted thereon, and all reexaminations and reissues thereof; and all rights to claim priority on the basis of the above provisional application (if any), as well as all rights to claim priority on the basis of this application; and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, including certificates of inventions, utility models, industrial design protection, design patent protection, and other governmental grants or issuances; and all extensions, renewals, prolongations, and reissues thereof; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term and terms for all such patents;

AND said Assignors HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND said Assignors HEREBY covenant that the Assignors have the full right to convey the interest assigned by this Assignment, and the Assignors have not executed and will not execute any assignment, sale, license, agreement, or encumbrance in conflict with this Assignment;

AND said Assignors HEREBY further covenant and agree, for the Assignors and the Assignors' legal representatives, that the Assignors will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to us respecting this invention; assist the Assignee in the prosecution of the patent application identified above; assist in the making and prosecution of any other patent applications that the Assignee may elect to make
