- (2) IMAGINATION TECHNOLOGIES LIMITED incorporated and registered in England and Wales whose registered office is at Imagination House, Home Park Estate, Kings Langley, WD4 8LZ, United Kingdom (**Assignee**).

**BACKGROUND**

- (A) The Assignor owns the Intellectual Property Rights (as defined below).
- (B) Assignor is a wholly owned subsidiary of Assignee.
- (C) The Assignor has agreed to assign to the Assignee the Intellectual Property Rights on the terms set out in this assignment.

**AGREED TERMS**

**Intellectual Property Rights:** any and all of Assignor's Patents, rights to inventions, copyright and related rights, the Trade Marks and service marks, trade names and domain names, rights in get-up, goodwill and the right to sue for passing off or unfair competition, rights in designs, rights in computer software, database rights, rights to preserve the confidentiality of information (including know-how and trade secrets) and any other intellectual property rights, in each case whether registered or unregistered and including all applications (and rights to apply) for, and the right to be granted renewals or extensions of, and rights to claim priority from, these rights and all similar or equivalent rights or forms of protection which subsist or will subsist, now or in the future, in any part of the world.

**Patents:** those patents subject to the Patent Assignment, attached at Schedule 1.

**Trade Marks:** those trade marks subject to the Trade Mark Assignment, attached at Schedule 2.

**2. ASSIGNMENT**

In consideration of a sum equal to the fair value attributed to the Intellectual Property Rights being the subject of the Asset Purchase Agreement at the time of such transaction (estimated at US\$2,063,491), receipt of which the Assignor expressly acknowledges, the Assignor hereby assigns to the Assignee absolutely with full title guarantee all its right, title and interest in and to the Intellectual Property Rights.

3.2 Subject to clause 3.4, this indemnity shall apply whether or not the Assignee has been negligent or at fault.

3.3 If a payment due from the Assignor under this clause is subject to tax (whether by way of direct assessment or withholding at its source), the Assignee shall be entitled to receive from the Assignor any amounts as shall ensure that the net receipt, after tax, to the Assignee in respect of the payment is the same as it would have been were the payment not subject to tax.

3.4 Nothing in this Agreement shall have the effect of excluding or limiting any liability for death or personal injury caused by negligence or for fraud.

**4. FURTHER ASSURANCE**

The Assignor shall use all reasonable endeavours to procure that any necessary third party shall, promptly execute and deliver any documents and perform any acts as may be required for the purpose of giving full effect to this assignment.

**6. VARIATION**

No variation of this Agreement shall be effective unless it is in writing and signed by the parties (or their authorised representatives).

**7. SEVERANCE**

7.1 If any court or competent authority finds that any provision of this Agreement (or part of any provision) is invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed to be deleted, and the validity and enforceability of the other provisions of this agreement shall not be affected.

7.2 If any invalid, unenforceable or illegal provision of this Agreement would be valid, enforceable and legal if some part of it were deleted, the parties shall negotiate in good faith to amend that provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the parties' original commercial intention.

**8. THIRD-PARTY RIGHTS**

No person other than a party to this Agreement shall have any rights to enforce any term of this Agreement.

**9. GOVERNING LAW AND JURISDICTION**

9.1 This Agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales.

9.2 The parties irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with this Agreement or its subject matter or formation (including non-contractual disputes or claims).
