CONFIRMATORY PATENT ASSIGNMENT

THIS ASSIGNMENT, made this 15th day of October, 2013,
by Prosensa Technologies B.V., having its principal place of business at J.H. Oortweg
21, Leiden, The Netherlands, 2333 CH; and by Academisch Ziekenhuis Leiden, having
its principal place of business at Albinusdreef 2, Leiden, The Netherlands, NL-2333
ZA,

WHEREAS, Academisch Ziekenhuis Leiden, organized under and pursuant
to the laws of NETHERLANDS, is desirous of owning 50% of the entire right, title and
interest in and to METHOD FOR EFFICIENT EXON (44) SKIPPING IN DUCHENNE
MUSCULAR DYSTROPHY AND ASSOCIATED MEANS, set forth in a Patent
application for Letters Patent of the United States, filed on November 11, 2010 as U.S.
Application No. 12/992,218, and in and to any Letters Patent of the United States to be
obtained therefore and thereon.

WHEREAS, Prosensa Technologies B.V., organized under and pursuant to
the laws of NETHERLANDS, is desirous of owning 50% of the entire right, title and
interest in and to METHOD FOR EFFICIENT EXON (44) SKIPPING IN DUCHENNE
MUSCULAR DYSTROPHY AND ASSOCIATED MEANS, set forth in a Patent
application for Letters Patent of the United States, filed on November 11, 2010 as U.S.
Application No. 12/992,218, and in and to any Letters Patent of the United States to be
obtained therefore and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good
and sufficient consideration, the receipt of which is hereby acknowledged, Prosensa
Technologies B.V. have sold, assigned, transferred and set over, and by these
presents do sell, assign, transfer and set over, unto Academisch Ziekenhuis Leiden, its
successors, legal representatives and assigns, 50% of the entire right, title and interest
in and to the above-mentioned inventions and application for Letters Patent to which it
has rights immediately prior to the execution of This Assignment, and in and to any
and all direct and indirect divisions, continuations and continuations-in-part of said
application, and any and all Letters Patent in the United States and all foreign
countries which may be granted therefor and thereon, and reissues, reexaminations

and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Academisch Ziekenhuis Leiden, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Prosensa Technologies B.V., had this sale and assignment not been made.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Academisch Ziekenhuis Leiden have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Prosensa Technologies B.V., its successors, legal representatives and assigns, 50% of the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent to which it has rights immediately prior to the execution of This Assignment, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Prosensa Technologies B.V., for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Academisch Ziekenhuis Leiden, had this sale and assignment not been made.

AND for the same consideration, Prosensa Technologies B.V. hereby represent and warrant to Academisch Ziekenhuis Leiden, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Academisch Ziekenhuis Leiden under law or that have already been transferred to Academisch Ziekenhuis Leiden, Prosensa Technologies B.V. are the lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Prosensa

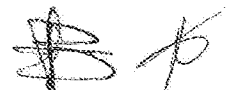

Technologies B.V. have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Academisch Ziekenhuis Leiden hereby represent and warrant to Prosensa Technologies B.V., its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Prosensa Technologies B.V. under law or that have already been transferred to Prosensa Technologies B.V., Academisch Ziekenhuis Leiden are the lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Academisch Ziekenhuis Leiden have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Prosensa Technologies B.V. hereby covenant and agree to and with Academisch Ziekenhuis Leiden, its successors, legal representatives and assigns, that Prosensa Technologies B.V. will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Academisch Ziekenhuis Leiden, its successors, legal representatives and assigns, whenever counsel of Academisch Ziekenhuis Leiden, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND for the same consideration, Academisch Ziekenhuis Leiden hereby covenant and agree to and with Prosensa Technologies B.V, its successors, legal representatives and assigns, that Academisch Ziekenhuis Leiden will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done

for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Prosensa Technologies B.V, its successors, legal representatives and assigns, whenever counsel of Prosensa Technologies B.V, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

THIS ASSIGNMENT grants each of Prosensa Technologies B.V. and Academisch Ziekenhuis Leiden 50% of the entire right, title and interest in and to **METHOD FOR EFFICIENT EXON (44) SKIPPING IN DUCHENNE MUSCULAR DYSTROPHY AND ASSOCIATED MEANS**, set forth in a Patent application for Letters Patent of the United States, filed on November 11, 2010 as U.S. Application No. 12/992,218, in and to any Letters Patent of the United States to be obtained therefore and thereon, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property.

AND Prosensa Technologies B.V. and Academisch Ziekenhuis Leiden hereby request the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Prosensa Technologies B.V. and Academisch Ziekenhuis Leiden, as Assignees of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignees, its successors, legal representatives and assigns.

AND Prosensa Technologies B.V. and Academisch Ziekenhuis Leiden hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the
