ASSIGNMENT OF U.S. PATENT

WHEREAS, I, Matthew C. Emenheiser, whose address is 4409 Quieto Court, Denver, CO, 80211, USA, hereafter referred to as "applicant", have invented certain new and useful improvements in an invention titled; **Retainer Apparatus**, hereafter referred to as "invention", the aforementioned patent comprising the "invention" and identified as Docket Number 1216.07001 in the law office files of Jackson Esquire, also identified at the United States Patent and Trademark Office (USPTO) as patent number 7,926,152 issued on April 19, 2011;

WHEREAS, I, Melissa Ann Long, an individual, herein referred to as "assignee" whose address is 1380 South Fillmore Street, Denver, CO, 80210, USA, is desirous of acquiring the entire right, title, and interest in the same;

NOW, THEREFORE, in consideration of complying with Separation Agreement case number 2011 DR 2272 in Jefferson County District Court, Colorado, USA, as amended by a Stipulation Motion for amendment to said Separation Agreement to vest said US Patent 100% in said assignee and to waive an Operating Agreement requirement as between said applicant and said assignee, the receipt whereof is acknowledged and certain other good and valuable consideration to me in hand paid, the receipt of which is hereby acknowledged, I the applicant, by these presents do sell, assign, and transfer unto said assignee, its successors, legal representatives and assigns, my entire right, title, and interest in and to the said invention and the aforesaid patent, for the territory of the United States of America and for all foreign countries and to all Letters Patent, divisionals, continuations, reissues, and extensions to be obtained therefore; and I further agree to cooperate with assignee hereunder in the obtaining and sustaining of any and all such Letters Patent, but at the expense of assignee.

I further hereby assign and agree to assign to assignee the entire right, title and interest, domestic and foreign, which I may have in discoveries, improvements and inventions made, conceived or developed by me in connection with the development of said **Retainer Apparatus**, and do further agree to execute all applications for patent, assignments, and other appropriate documents and to perform all things necessary to make this Agreement effective and to perfect all right, title, and interest in and to said discoveries, improvements or inventions in said assignee.

The Commissioner of Patents is hereby authorized and requested to record this assignment for United States patent number 7,926,152 solely in accordance with the terms of this Assignment to assignee, its successors, legal representatives, and assigns of the entire right, title, and interest therein.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal on the date set forth hereinafter.
