ASSIGNMENT

WHEREAS, We, (Assignors) **Rajeshwar Motheram**,
together with **Gregory Charles Williams** have invented certain new and useful
improvements which are described and claimed in applications identified as

U.S. Provisional Application 61/392,294;
U.S. Non-provisional Application 13/270,004;
U.S. Non-provisional Application 13/765,613.; and
PCT/US2011/55617.

The applications are entitled as

**CLEVIDIPINE EMULSION FORMULATIONS
CONTAINING ANTIMICROBIAL AGENTS**

WHEREAS, **The Medicines Company**, having a business address at 8 Sylvan
Way, Parsippany, New Jersey, U.S.A., is desirous of acquiring the entire interest in and
to said invention, said application and all patents to be obtained therefrom.

NOW, THEREFORE, for and in consideration of valuable consideration, the
receipt and sufficiency whereof are hereby acknowledged, we have sold, assigned, and
set over, and by these presents do hereby sell, assign and set over unto the said **The
Medicines Company**, (Assignee), and said Assignee's legal representatives,
successors, our entire right, title and interest, for the whole world, in and to said
invention and said application, as well as any subsequent applications, including any
PCT Application, foreign application, continuation application, divisional application,
which subsequent applications claim priority based upon the filing date of any of said
applications identified and the patents, both domestic and foreign, that may or shall
result therefrom including the right to claim in respect of any subsequent United States
and foreign patent applications and patents, the priority date of any of said applications
under any United States statute and international convention or treaty; and we do
hereby authorize and request the issuance of said patents, domestic and foreign,
conformably to the terms of this Agreement.

UPON SAID CONSIDERATION, we do hereby covenant and agree with said
Assignee that we will not execute any writing or do any act whatsoever conflicting with
these presents, and that will at any time upon request, without further or additional
consideration, but at the expense of the said Assignee, execute such additional
assignments and other writings and so such additional acts as said Assignee may deem
necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all
necessary assistance in making application for and obtaining provisional, original,
continuation, continuation-in-part, divisional, reissued, re-examined or extended patent

of the United States or of any and all foreign countries on said invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, including but not limited to, giving testimony in any proceedings or transactions involving such applications or patents, and executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind and inure to the benefit of the assigns and legal representatives of all parties hereto.

IN WITNESS WHEREOF, we have hereunto set our hands and affixed our seals.
