A S S I G N M E N T

WHEREAS, We, Stephen P. Adams, Pete D. Sibitzky and Timothy A. Wimmer, residing at 3421 East McDowell Road, Mesa, Arizona, 85213, 8861 Golden Ridge Road, Lakeside, California 92040, and 16397 SE Pyrite Street, Damascus, Oregon 97089, respectively, have made an invention in:

LIGHT FIXTURE WITH CURVED FRAME

and have made application for United States Letters Patent therefor, the same having been filed in the United States Patent and Trademark Office on November 4, 2013, as United States Patent Application No. 14/071,399; and

WHEREAS, JST Performance, Inc. d/b/a/ Rigid Industries, a corporation organized and existing under the laws of Arizona and having an office and place of business at 779 North Colorado Street, Gilbert, AZ 85233 is desirous of acquiring the entire interest in said invention, said United States patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto the said JST Performance, Inc., its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States patent application, including any continuations, continuations-in-part, and divisions thereof, and any substitute applications therefor, and any patents which may issue thereon, and any reissues of the same, and including the right to claim priority under the

International Convention based on said patent application; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations, continuations-in-part and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and we hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said JST Performance, Inc., as the assignee of the entire interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, I have hereunto signed my name on the date indicated hereinafter.
