U.S. Patent Application No. 29/467,015
Filing Date: 09/13/2013

ASSIGNMENT

In consideration of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned hereby assign(s) to L.A. DARLING COMPANY, its successors, legal representatives and assigns (hereafter "the assignee") the entire worldwide right, title and interest in the invention, including any ornamental design and functional utility, entitled ADJUSTABLE SHELF, and in the above referenced application for a patent of the United States therefor, and in any conversion, reexamination certificate, reissue, extension, division, or continuation of any patent or application for patent that may be granted or filed based upon said application or applications in the United States or any other nation. The undersigned hereby authorize(s) and request(s) the Commissioner of Patents and Trademarks to issue said Patent to said assignee.

For said consideration the undersigned hereby agree(s), upon the request of said assignee, to execute any and all related applications for said invention or improvements, and any necessary oath or supplemental oath or affidavit relating thereto, that said assignee may deem necessary or expedient, and for said considerations the undersigned further agree(s) upon the request of said assignee, in the event of said application or any related application, or Patent issued thereon, becoming involved in interference, reexamination, or any other proceeding, to cooperate with said assignee, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and the undersigned hereby agree(s) to perform, upon said request, any and all affirmative acts to obtain said Patent and vest all rights therein hereby conveyed in the said assignee as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.

And for the said considerations the undersigned hereby agree(s) upon the request of said assignee to execute any and all documents in connection with any and all applications for foreign Patent therefor, including the prosecution thereof, and to execute any and all documents necessary to vest title said foreign applications and patents in said assignee.
